

MAGWELL FOR SIG SAUER P365 X-MACRO - TYRANT CNC MAGWELL FOR SIG SAUER P365 X-MACRO - BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

MAGWELL FOR SIG SAUER P365 X-MACRO CNC machined from high-quality 6061 aluminum, this P365 magwell is designed to enhance your shooting experience by providing a larger funnel for faster and smoother magazine changes. Modeled specifically for the P365 X Macro 17 round magazine and frame, this Tyrant CNC made magwell retains a slim profile to help prevent printing when concealed carrying. Faster reloads, seconds gained In a competition as well as real life, it can come down to microseconds. Time is critical no matter the situation, especially the vulnerable time between magazine changes. The enhanced ergonomics of the Sig Sauer P365 Magwell will reduce that vulnerable time. How it works The Tyrant CNC magwell for the Sig Super P365 X Macro attaches to the bottom of the P365 X Macro grip module by using a supplied screw. The Sig P365 X Macro Magwell is specifically engineered to fit seamlessly onto your P365 without any modifications. It offers a slim profile and ergonomic shape that upgrades the overall look and feel of your firearm. With its extremely precise machining and aluminum construction, you can rest assured that this X Macro magwell will thrive in hard-use conditions. Made to Fit After reverse engineering and modeling the P365 macro grip module, we carefully built out our P365 X Macro magwell. Tyrant CNC made sure to have enough tolerance for any deviation the grip module molds may have, yet ensured there was still a tight fit/lock up around the grip module. The result? A tight-fitting and accommodating magwell! Perfect for Everyday Carry Low profile to not print when conceal carrying, yet robust enough to help funnel mags under duress. This magwell will also add surface area to your grip module, acting as a pinky rest and as well as gives the operator additional leverage to combat recoil.

SPECIFICATIONS: Platform: Sig-Sauer Designed For Models: P365 Fitment Notes: Fits P365 XMacro grip module only Compatible with OEM 17rnd magazine Compatible with Tyrant 365 magazine extension Fits on California compliant versions Features: Flared and funneled for guided reloads Matching aesthetics Slim Profile Purchase Includes: Magwell Screw/nut

Safety Instruction Guide for MAGWELL FOR SIG SAUER P365 XMACRO

Introduction

Thank you for choosing the MAGWELL FOR SIG SAUER P365 XMACRO. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper use, installation, and care of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure proper training and understanding of firearm safety before using this product.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.
- Check for any product recalls or safety alerts through the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the MAGWELL FOR SIG SAUER P365 XMACRO with the Sig Sauer P365 X Macro grip module.
- Ensure that the firearm is unloaded before installing or removing the magwell.
- Do not modify the magwell or firearm in any way that could compromise safety or functionality.
- Be aware of the increased surface area provided by the magwell; practice proper grip techniques to maintain control during use.
- Avoid using the magwell if it shows signs of damage or if it does not fit securely onto the grip module.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Align the Magwell:** Position the MAGWELL FOR SIG SAUER P365 XMACRO at the bottom of the P365 X Macro grip module.
3. **Secure the Magwell:** Use the supplied screw to attach the magwell securely to the grip module. Ensure it is tightened adequately but do not overtighten.
4. **Check Fit:** Verify that the magwell fits snugly against the grip module without any gaps.

Usage

- To reload, insert the magazine into the magwell, ensuring it is guided smoothly for a secure fit.
- Practice reloading in a safe environment to become familiar with the enhanced ergonomics provided by the magwell.
- Maintain a firm grip on the firearm while reloading to prevent any accidental discharges.

Disposal Instructions

- Dispose of the MAGWELL FOR SIG SAUER P365 XMACRO in accordance with local regulations for aluminum products.
- Do not dispose of the magwell in regular household waste. Instead, take it to a designated recycling facility.

Contact Information for Further Support

For any inquiries related to safety, installation, or product performance, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the MAGWELL FOR SIG SAUER P365 XMACRO. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
