

MAGWELL FOR SIG SAUER P365 X-MACRO - TYRANT CNC MAGWELL FOR SIG SAUER P365 X-MACRO - GOLD

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

MAGWELL FOR SIG SAUER P365 X-MACRO CNC machined from high-quality 6061 aluminum, this P365 magwell is designed to enhance your shooting experience by providing a larger funnel for faster and smoother magazine changes. Modeled specifically for the P365 X Macro 17 round magazine and frame, this Tyrant CNC made magwell retains a slim profile to help prevent printing when concealed carrying. Faster reloads, seconds gained In a competition as well as real life, it can come down to microseconds. Time is critical no matter the situation, especially the vulnerable time between magazine changes. The enhanced ergonomics of the Sig Sauer P365 Magwell will reduce that vulnerable time. How it works The Tyrant CNC magwell for the Sig Super P365 X Macro attaches to the bottom of the P365 X Macro grip module by using a supplied screw. The Sig P365 X Macro Magwell is specifically engineered to fit seamlessly onto your P365 without any modifications. It offers a slim profile and ergonomic shape that upgrades the overall look and feel of your firearm. With its extremely precise machining and aluminum construction, you can rest assured that this X Macro magwell will thrive in hard-use conditions. Made to Fit After reverse engineering and modeling the P365 macro grip module, we carefully built out our P365 X Macro magwell. Tyrant CNC made sure to have enough tolerance for any deviation the grip module molds may have, yet ensured there was still a tight fit/lock up around the grip module. The result? A tight-fitting and accommodating magwell! Perfect for Everyday Carry Low profile to not print when conceal carrying, yet robust enough to help funnel mags under duress. This magwell will also add surface area to your grip module, acting as a pinky rest and as well as gives the operator additional leverage to combat recoil. SPECIFICATIONS: Platform: Sig-Sauer Designed For Models: P365 Fitment Notes: Fits P365 XMacro grip module only Compatible with OEM 17rnd magazine Compatible with Tyrant 365 magazine extension Fits on California compliant versions Features: Flared and funneled for guided reloads Matching aesthetics Slim Profile Purchase Includes: Magwell Screw/nut

Safety Instruction Guide for MAGWELL FOR SIG SAUER P365 XMACRO

Introduction

Thank you for choosing the MAGWELL FOR SIG SAUER P365 XMACRO. This product is designed to enhance your shooting experience by providing a larger funnel for faster and smoother magazine changes. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the guidelines in this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This magwell is designed for safe use with the SIG SAUER P365 XMACRO. Ensure that you are familiar with the operation of your firearm before using this accessory.
- **Hazard Identification:** Improper installation or use may lead to accidents or malfunctions. Always ensure that your firearm is unloaded when installing or adjusting the magwell.
- **Age Restrictions:** This product is intended for use by individuals 18 years and older. Ensure that minors are supervised by a responsible adult when handling firearms.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as per EU regulations.

Specific Safety Precautions for Use

- **Installation:** Follow the installation instructions carefully to ensure a secure fit. A loose magwell may affect firearm performance and safety.
- **Handling:** Always treat your firearm as if it is loaded. Keep your finger off the trigger until you are ready to shoot.
- **Environment:** Use the magwell in a safe and controlled environment. Avoid using it in crowded spaces or where there may be a risk of accidents.
- **Maintenance:** Regularly inspect the magwell for wear or damage. If any issues are found, discontinue use and replace the magwell immediately.

Instructions for Installation and Usage

1. **Prepare Your Firearm:** Ensure that the SIG SAUER P365 XMACRO is unloaded and safe to handle.
2. **Attach the Magwell:**
 - Locate the bottom of the P365 XMACRO grip module.
 - Align the magwell with the grip module.
 - Use the supplied screw to securely attach the magwell to the grip module. Ensure that it is tightly fitted to prevent any movement.
3. **Check the Fit:** After installation, verify that the magwell fits snugly against the grip module. A proper fit will enhance the functionality and safety of the firearm.
4. **Practice Reloading:** Familiarize yourself with the enhanced reload capabilities provided by the magwell. Practice in a safe environment to ensure smooth operation during use.

Disposal Instructions

- **Environmental Considerations:** Dispose of the magwell in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the aluminum material to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use of the MAGWELL FOR SIG SAUER P365 XMACRO, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MAGWELL FOR SIG SAUER P365 XMACRO. Always prioritize safety and responsible handling of your firearm.
