

## **SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL SINGLE SHOT RIFLE - SINGLE SHOT BRASS 44 MAG/44 SPL 22" BBL 1RD WALNUT**

SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL SINGLE SHOT RIFLE The centerfire single-shot rifle has an extensive history among hunters looking for a dependable and accurate game-getter without spending more than necessary for good quality and basic functionality. Henry Repeating Arms is proud to offer this premium line of break-action one-shooters. Available with a highly polished finish on hardened brass frames, these elegantly simple rifles feature 22" round barrels and a fully adjustable folding leaf rear sight paired with a brass bead front sight. For those who prefer magnified optics, the rifles are drilled and tapped to mount a base. Despite its simplicity, the Henry Single Shot Rifle does not cut corners with the quality of the materials, so the furniture is genuine American walnut. This brass version has a straight English wrist and brass buttplate. Instead of flinging spent brass all over the place, these rifles feature a non-ejecting extractor, making it easier to get in and out of the field without leaving a trace. These rifles use a familiar locking lever on top of the frame, behind the external hammer spur, to break the barrel open. Henry added their touch here, though- the lever can be pivoted either left or right from its center position to unlock, which works well for both left and righties. The action has no external manual safety; it uses a rebounding hammer that can't touch the firing pin unless the trigger is deliberately pulled and an interlock system that doesn't allow the barrel to open if the hammer's cocked or the barrel to close if the hammer's cocked while it's open. Quick to load or unload, safe to carry, and simple to operate. That's what it's all about. For those who prefer the sport and challenge of hunting with only one round on board, this no-frills approach to a premium single-shot rifle is the perfect choice. While some might consider something with a 1-round capacity an entry-level proposition, these rifles are built to the same high standards as all of our fine centerfire repeating rifles. SPECIFICATIONS: Barrel Length: 22" Barrel Type: Round Blued Steel Rate of Twist: 1:20 Overall Length: 37.5" Weight: 7.14 lbs. # Sicherheitshinweise für das SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL EINZELSCHUSS GEWEHR

## Einleitung

Herzlichen Glückwunsch zu Ihrem Kauf des SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL EINZELSCHUSS GEWEHRS von Henry Repeating Arms. Dieses Gewehr ist für Präzision und Zuverlässigkeit konzipiert und bietet Ihnen ein hervorragendes Jagderlebnis. Um Ihre Sicherheit und die Sicherheit anderer zu gewährleisten, lesen Sie bitte diese Sicherheitshinweise sorgfältig durch.

## Allgemeine Sicherheitsrichtlinien

- Verwenden Sie das Gewehr nur in Übereinstimmung mit den geltenden Gesetzen und Vorschriften.
- Halten Sie das Gewehr immer in einem sicheren Zustand, bis Sie bereit sind, zu schießen.
- Überprüfen Sie vor jedem Gebrauch, ob das Gewehr entladen ist.
- Behandeln Sie das Gewehr immer so, als wäre es geladen.
- Halten Sie den Lauf des Gewehrs von sich und anderen Personen weg.
- Verwenden Sie immer die richtige Munition für Ihr Gewehr.
- Verwahren Sie das Gewehr an einem sicheren Ort, der für Kinder unzugänglich ist.

## Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwenden Sie das Gewehr nicht, wenn Sie müde, betrunken oder unter dem Einfluss von Drogen sind.
- Tragen Sie beim Schießen immer geeignete Schutzausrüstung, einschließlich Gehörschutz und Schutzbrille.
- Achten Sie beim Schießen auf Ihre Umgebung und stellen Sie sicher, dass sich keine Personen oder Tiere im Schussfeld befinden.
- Überprüfen Sie regelmäßig den Zustand des Gewehrs und lassen Sie es bei Bedarf von einem Fachmann warten.
- Verwenden Sie keine beschädigte oder unsichere Munition.

## Anweisungen zur Installation und Nutzung

### 1. Vorbereitung des Gewehrs:

- Stellen Sie sicher, dass das Gewehr entladen ist, bevor Sie es handhaben.
- Überprüfen Sie den Zustand des Gewehrs und der Munition.

### 2. Laden des Gewehrs:

- Öffnen Sie den Verschluss, indem Sie den Verriegelungshebel betätigen.
- Legen Sie eine Patrone in die Kammer.
- Schließen Sie den Verschluss, indem Sie den Verriegelungshebel zurück in die Mittelposition drehen.

### 3. Zielen und Schießen:

- Richten Sie das Gewehr auf das Ziel und stellen Sie sicher, dass der Lauf frei von Hindernissen ist.
- Drücken Sie den Abzug vorsichtig, um den Schuss abzugeben.

### 4. Entladen des Gewehrs:

- Öffnen Sie den Verschluss, um die verwendete Patrone zu entfernen.
- Überprüfen Sie, ob das Gewehr vollständig entladen ist, bevor Sie es ablegen.

## Entsorgungsanweisungen

- Entsorgen Sie leere Patronenhülsen und beschädigte Munition gemäß den örtlichen Vorschriften für gefährliche Abfälle.
- Lagern Sie das Gewehr an einem sicheren Ort, um unbefugten Zugriff zu verhindern.

## **Kontaktinformationen für weitere Unterstützung**

Für weitere Informationen oder Unterstützung zu Ihrem Gewehr wenden Sie sich bitte an den Hersteller oder den Händler, bei dem Sie das Produkt erworben haben. Beachten Sie, dass alle Produkte eine EUbasierte Kontaktstelle für Sicherheitsanfragen haben sollten.

## **Abschluss**

Die Sicherheit hat oberste Priorität. Indem Sie diese Richtlinien befolgen, tragen Sie dazu bei, ein sicheres Schießerlebnis für sich selbst und andere zu gewährleisten. Genießen Sie Ihr neues SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL EINZELSCHUSS GEWEHR und bleiben Sie sicher!

# Safety Instruction Guide for SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL SINGLE SHOT RIFLE

## Introduction

Thank you for choosing the SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL SINGLE SHOT RIFLE. This guide provides essential safety instructions to ensure safe handling, usage, and maintenance of your firearm. It is important to read and understand these instructions to minimize risks and ensure compliance with safety regulations.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not rely solely on the safety mechanism; always handle the firearm with caution.
- Store the firearm unloaded and securely when not in use.
- Keep ammunition stored separately from the firearm.
- Ensure that children and unauthorized persons do not have access to firearms or ammunition.
- Regularly inspect the firearm for any signs of damage or wear.
- Use only the recommended ammunition type for your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Before loading the rifle, ensure the barrel is clear of obstructions.
- Always use ear and eye protection when shooting.
- Do not shoot at hard surfaces or water to prevent ricochets.
- Only load one round at a time in the chamber.
- Do not place your finger on the trigger until you are ready to shoot.
- If a misfire occurs, wait at least 30 seconds before attempting to unload the firearm.
- Ensure that the area behind your target is safe and clear of people and property.
- Be mindful of the recoil and stance when firing.

## Instructions for Installation and Usage

### 1. Loading the Rifle:

- Open the action using the locking lever located on top of the frame.
- Insert one round of .44 Magnum or .44 Special into the chamber.
- Close the action securely by pushing the barrel back into place until it locks.

### 2. Aiming and Firing:

- Use the fully adjustable folding leaf rear sight and brass bead front sight to aim.
- Ensure a firm grip on the rifle and maintain a stable shooting stance.
- To fire, gently squeeze the trigger while maintaining focus on the target.

### 3. Unloading the Rifle:

- Open the action using the locking lever.
- Remove the spent casing manually using the nonejecting extractor.

### 4. Maintenance:

- Clean the rifle regularly to maintain optimal performance.
- Use appropriate cleaning tools and solvents recommended for firearms.
- Inspect the firearm for any signs of wear or damage after each use.

## Disposal Instructions

- Dispose of any spent casings and ammunition in accordance with local regulations.
- Do not dispose of firearms in general waste. Contact local authorities for guidance on proper disposal methods.
- Ensure that the firearm is rendered inoperable before disposal.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL SINGLE SHOT RIFLE, please refer to the manufacturer's contact details provided in the product documentation.

## **Conclusion**

By following these safety guidelines, you can enjoy the use of your SINGLE SHOT BRASS 44 MAGNUM/44 SPECIAL SINGLE SHOT RIFLE while ensuring the safety of yourself and those around you. Always prioritize safety and responsibility when handling firearms.

# Istruzioni di Sicurezza per il Fucile a Colpo Singolo in Brass 44 Magnum/44 Special

## Introduzione

Benvenuto nel manuale di sicurezza del Fucile a Colpo Singolo in Brass 44 Magnum/44 Special di Henry Repeating Arms. Questo documento fornisce linee guida di sicurezza per garantire un utilizzo corretto e sicuro del prodotto. Si prega di leggere attentamente queste istruzioni prima dell'uso.

## Linee Guida Generali di Sicurezza

- Assicurarsi che il fucile sia sempre trattato come se fosse carico.
- Mantenere il dito lontano dal grilletto fino a quando non si è pronti a sparare.
- Puntare sempre in una direzione sicura e mai verso persone o animali.
- Indossare occhiali protettivi e protezioni per le orecchie durante l'uso.
- Verificare sempre che l'arma sia scarica quando non in uso.
- Non utilizzare munizioni danneggiate o non conformi.
- Conservare il fucile in un luogo sicuro e fuori dalla portata dei bambini.

## Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare il fucile in condizioni di scarsa visibilità o in ambienti pericolosi.
- Assicurarsi che l'area circostante sia libera da persone e animali prima di sparare.
- Non utilizzare il fucile sotto l'influenza di alcol o droghe.
- Se il fucile non si sblocca o si inceppa, non tentare di forzarlo. Contattare un professionista per assistenza.
- Non modificare il fucile in alcun modo. Le modifiche possono compromettere la sicurezza e le prestazioni.

## Istruzioni per l'Installazione e l'Uso

### Installazione

- Assicurarsi che il fucile sia scarico prima di iniziare l'installazione.
- Se si utilizza un'ottica, seguire le istruzioni del produttore per il montaggio.
- Controllare che tutte le viti e i collegamenti siano ben fissati prima dell'uso.

### Uso

- Caricare il fucile solo in un'area designata e sicura.
- Per caricare, aprire la canna utilizzando la leva di bloccaggio.
- Inserire una cartuccia nella camera e chiudere la canna.
- Quando si è pronti a sparare, allineare il mirino e premere il grilletto con attenzione.
- Dopo aver sparato, controllare immediatamente l'area circostante prima di ricaricare.

## Istruzioni per lo Smaltimento

- Non smaltire mai il fucile in modo irresponsabile. Seguire le leggi locali per il corretto smaltimento delle armi.
- Le munizioni non utilizzate devono essere conservate in modo sicuro o smaltite tramite un centro di raccolta autorizzato.

## Informazioni di Contatto per Ulteriori Supporto

Per domande relative alla sicurezza o per segnalare prodotti difettosi, contattare il punto di contatto dell'UE per la sicurezza dei prodotti. Assicurarsi di avere il numero di modello e altre informazioni pertinenti disponibili.

## Conclusione

La sicurezza è della massima importanza quando si utilizza un fucile a colpo singolo. Seguendo queste linee guida, si può garantire un'esperienza di utilizzo sicura e soddisfacente. Per ulteriori informazioni, consultare il manuale o contattare un esperto.
