MRP-L M-LOK SHOVELHEAD 5.56MM ASSEMBLED UPPER RECEIVER

Available as an stand alone item for the first time upgrade your existing LMT piston gun to the "SHOVELNOSE" The "Shovelnose" MRP upper was designed specifically for shooters who need more room for mounting accessories when using LMT piston barrels. The upper features a larger internal diameter allowing for the installation and removal of any LMT barrel without removing MLOK add-ons. The patented LMT monolithic rail platform (MRP) upper receiver, has a receiver and handguard that are made from a single piece of aerospace grade aluminum. The barrel is held in place with a proprietary locking system that utilizes two locking bolts accessible from the right side of the receiver. The only tool needed is a standard T-30 Torx bit to tighten the bolts. This receiver requires the patented LMT monolithic barrel assembly which has a low profile gas block with straight gas tube. SPECIFICATIONS: Caliber: .204 Ru, .300 BLK, 5.56×45, 6.8 SPC MRP Platform: MRP-L (Light)

MRPL MLOK SHOVELHEAD 5.56MM ASSEMBLED UPPER RECEIVER Safety Instruction Guide

Introduction

Thank you for choosing the MRPL MLOK SHOVELHEAD 5.56MM ASSEMBLED UPPER RECEIVER. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of the product. It is important to follow these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the use of firearm components.
- Always handle the upper receiver with care to avoid accidental discharge.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the upper receiver for any signs of damage or wear before use.
- If you notice any defects or irregularities, do not use the product and contact a qualified professional for assistance.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using the upper receiver.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the upper receiver.
- Follow the manufacturer's instructions for installation to avoid improper fitting, which could lead to malfunctions.
- Do not modify or alter the upper receiver in any way, as this may compromise safety and performance.
- Use only compatible LMT barrels with the upper receiver to ensure proper function and safety.
- Always check that the locking bolts are securely tightened before use.
- Be cautious when using accessories with the upper receiver; ensure they are properly mounted and do not obstruct the operation of the firearm.
- Avoid using the upper receiver in adverse weather conditions that could affect performance.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is in a safe condition and unloaded.
- Gather all necessary tools, including a standard T30 Torx bit.

2. Installation

- Align the upper receiver with the lower receiver of your firearm.
- Insert the proprietary locking bolts through the designated holes on the right side of the receiver.
- Using the T30 Torx bit, tighten the locking bolts securely. Ensure they are snug but do not overtighten.
- Verify that the installation is complete by checking for any gaps between the upper and lower receivers.

3. Usage

- Before firing, doublecheck that the firearm is properly assembled and all components are secure.
- Conduct a function check to ensure the firearm operates correctly with the new upper receiver.
- Always follow safe firearm handling practices during use.

Disposal Instructions

- When disposing of the upper receiver, ensure that it is rendered inoperable to prevent misuse.
- Follow local regulations for the disposal of firearm components.
- Consider recycling the aluminum material where possible, in accordance with local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with the MRPL MLOK SHOVELHEAD 5.56MM ASSEMBLED UPPER RECEIVER. Always prioritize safety and compliance with applicable regulations. Thank you for your attention to these important guidelines.
