MRP-H M-LOK 7.62MM ASSEMBLED UPPER RECEIVER The patented LMT Monolithic Rail Platform, MRP™ upper receiver. The receiver and handguard are made from a single piece of aerospace grade aluminum. The barrel is held in place with a proprietary locking system that utilizes two locking bolts accessible from the right side of the receiver. The only tool needed is a standard T-30 Torx bit to tighten the bolts. This receiver requires the patented LMT monolithic barrel assembly which has a low profile gas block with straight gas tube. The MRP-H monolithic upper receiver for large caliber rifle platforms. Created with M-LOK compatible attachment points on all 8 sides. Utilizes two locking lugs to secure/remove any larger caliber LMT barrel. This includes: 7.62×51 NATO, .243 Winchester, .260 Remington, 6.5 Creedmoor, 7mm-08 Remington, and .338 Federal. Barrel not included. SPECIFICATIONS: Caliber: .260 Rem, 6.5 Creedmoor, 7.62×51 MRP Platform: MRP-H (Heavy)

# Safety Instruction Guide for MRPH MLOK 7.62MM ASSEMBLED UPPER RECEIVER

## Introduction

Thank you for choosing the MRPH MLOK 7.62MM ASSEMBLED UPPER RECEIVER from LMT Defense. This guide provides essential safety instructions and precautions to ensure safe and effective use of the product. Please read this manual thoroughly before using the upper receiver.

## General Safety Guidelines

- Ensure proper training and understanding of firearms before use.
- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the upper receiver and any associated components in a secure location, out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when handling the firearm.
- Regularly inspect the upper receiver for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the upper receiver.
- Use only compatible LMT barrels as specified in the product description.
- Do not attempt to modify or alter the upper receiver in any way.
- Always use the standard T30 Torx bit for tightening bolts to avoid damage.
- Be aware of the potential hazards associated with handling and firing large caliber rifles.
- Keep hands and face clear from the ejection port when firing.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the Upper Receiver:

- Ensure the firearm is unloaded.
- Align the upper receiver with the lower receiver.
- Insert the proprietary locking bolts from the right side of the receiver.
- Use a standard T30 Torx bit to tighten the bolts securely.
- Confirm that the receiver is firmly attached before proceeding.

### 2. Usage:

- Load the firearm following standard procedures for your specific model.
- Ensure the safety is engaged until you are ready to fire.
- Maintain a proper shooting stance and grip on the firearm.
- Fire the firearm only in a controlled environment, following all safety protocols.
- After use, clean and inspect the upper receiver as per manufacturer recommendations.

## Disposal Instructions

- Dispose of the upper receiver and any associated parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the MRPH MLOK 7.62MM ASSEMBLED UPPER RECEIVER, please refer to the manufacturer's website or contact your local dealer for assistance.

## **Conclusion**

Adhering to the safety guidelines and instructions outlined in this manual will help ensure a safe and enjoyable experience with your MRPH MLOK 7.62MM ASSEMBLED UPPER RECEIVER. Always prioritize safety and responsible use when handling firearms. Thank you for your attention to these important safety practices.
