# LMT MWS Lightweight 7.62x51 NATO Rifle Barrel Safety Instruction Guide

## Introduction

Thank you for choosing the LMT MWS Lightweight 7.62x51 NATO Rifle Barrel. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure the safe and effective use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding firearms and ammunition before using this product.
- Always treat the rifle barrel as if it is loaded, even if you believe it is not.
- Store the rifle barrel in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage. Do not use if damaged.
- Use only compatible ammunition as specified in the product specifications.
- Follow all safety instructions provided with your firearm and ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the area around you is clear of people and obstacles before firing.
- Do not point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your target and what lies beyond it.
- If you experience a misfire, wait at least 30 seconds before attempting to clear the firearm.
- Be mindful of the recoil and muzzle rise when firing.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the existing barrel from the upper receiver according to the manufacturer's instructions.
- Install the LMT MWS Lightweight 7.62x51 NATO Barrel by following these steps:
  - Align the barrel with the upper receiver.
  - Secure the barrel using the appropriate torque specifications provided by the manufacturer.
  - Install the low profile gas block and straight gas tube as per the included instructions.
  - Attach the A2 flash hider to the end of the barrel.

### 2. Usage:

- Ensure that the rifle is properly assembled and all components are secure before use.
- Load the firearm with compatible 7.62x51 NATO ammunition.
- Conduct a function check to ensure that the rifle operates correctly.
- Follow the general safety guidelines and specific safety precautions outlined above during use.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, consider taking it to a licensed firearms dealer for proper disposal.

- Do not dispose of any firearm components in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the LMT MWS Lightweight 7.62x51 NATO Rifle Barrel, please refer to the manufacturer's website or customer service for assistance. Always ensure that you are communicating with authorized representatives.

By following these guidelines, you can help ensure your safety and the safety of those around you while using the LMT MWS Lightweight 7.62x51 NATO Rifle Barrel. Thank you for your attention to these important safety measures.
