# HYPERLITE SCOPE RINGS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Warne® HyperLite™ Scope Rings. These lightweight optic mounting solutions are designed for optimal performance and safety. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the HyperLite Scope Rings by following all instructions and guidelines provided in this document.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for remedies.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** These rings are not suitable for children. Always supervise use around vulnerable groups.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided with your product.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Weight Limitations:** The HyperLite Scope Rings are designed for specific weights. Ensure your optic does not exceed the recommended weight capacity.
- **Compatibility:** Verify that the scope rings are compatible with your rifle's mounting system (Picatinny or Weaver).
- **Installation:** Follow installation instructions carefully to avoid improper mounting which may lead to accidents.
- **Inspection:** Regularly inspect the scope rings for signs of wear, damage, or corrosion.
- **Recoil Management:** Ensure the recoil lug and dualscrew clamps are secure before use to maintain zero under recoil.
- **Environmental Considerations:** Avoid exposing the rings to extreme temperatures or corrosive environments which may affect performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools including a torque wrench and appropriate screwdrivers.
- Ensure the rifle is unloaded and pointed in a safe direction.

### 2. Installation:

- Place the scope rings onto the mounting base (Picatinny or Weaver).
- Align the rings with the scope tube.
- Secure the rings using the dualscrew clamps. Tighten screws to the manufacturer's recommended torque settings to ensure stability.

### 3. Zeroing Your Scope:

- After installation, zero your scope at the desired distance.
- Confirm that the scope remains securely mounted after shooting.

#### **4. Regular Maintenance:**

- Periodically check the tightness of the screws and the condition of the rings.
- Clean the rings with a soft cloth to remove dirt and debris.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local regulations.
- If the product is damaged beyond use, dispose of it responsibly, ensuring that materials are recycled where possible.
- Do not dispose of the product in household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Warne® HyperLite™ Scope Rings, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Warne HyperLite Scope Rings, where every ounce counts!
