# NEOS 39X40MM SFP RIFLE SCOPE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the NEOS 39X40MM SFP Rifle Scope by Athlon Optics. This product is designed to enhance your hunting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully before using the scope to ensure safe operation and maintenance.

## General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the rifle scope. This product complies with the EU General Product Safety Regulation (GPSR) to minimize risks.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be provided, and free remedies will be available for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the platform meets the same safety standards as physical stores.
- **Special Consumer Focus:** Extra precautions should be taken to ensure that vulnerable groups, including children, are not exposed to unsafe usage.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Handling:** Always handle the scope with care to avoid dropping or damaging it.
- **Installation:** Ensure the scope is properly mounted on the rifle to prevent accidents during use.
- **Environment:** Use the scope in a safe environment, away from any potential hazards such as children or pets.
- **Maintenance:** Regularly check the scope for any signs of wear or damage. If any issues are found, discontinue use immediately.
- **Storage:** Store the scope in a cool, dry place when not in use. Avoid exposing it to extreme temperatures or humidity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded before installation.
- Use the appropriate mounts to secure the scope to the rifle.
- Align the scope with the rifle and tighten the mounting screws securely.
- Check the alignment and make any necessary adjustments.

### 2. Usage:

- Adjust the magnification settings as needed for your shooting distance.
- Always keep both eyes open when aiming for better depth perception.
- Use the BDC 300 StraightWall IR reticle for accurate targeting.
- Regularly check the focus and clarity of the lenses before use.
- Never look directly at the sun through the scope, as this can cause permanent damage to your eyes.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the rifle scope in accordance with local regulations for electronic waste.
- **Recycling:** If possible, recycle components of the scope to minimize environmental impact.
- **Safety Precautions:** Ensure that the scope is fully disassembled if required before disposal, to avoid any potential hazards.

## Contact Information for Further Support

For any questions or concerns regarding the NEOS 39X40MM SFP Rifle Scope, please refer to the designated EU contact point for assistance. Always keep this safety instruction guide for future reference.

Thank you for prioritizing safety and compliance while enjoying your NEOS rifle scope. Happy hunting!
