

# GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 7.3" M-LOK HANDGRD FREE FLOAT FOR AR15 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

# Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

## Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety information and instructions to ensure the safe and effective use of your handguard. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installation or maintenance of the handguard.
- Inspect the handguard for any visible damage or defects before use.
- Use the handguard only with compatible firearm models as specified in this guide.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the handguard is properly installed before firing the weapon.
- Avoid overtightening screws or fasteners, which may damage the handguard or firearm.
- Do not use the handguard with any muzzle devices that exceed the specified diameter.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded. Gather necessary tools (e.g., Allen wrench).
2. **Remove Existing Handguard:** If applicable, remove the existing handguard by loosening the screws or fasteners.
3. **Install the GEN2 Handguard:**
  - Align the handguard with the upper receiver of the AR15.
  - Secure the handguard using the provided screws or fasteners.
  - Ensure that the antirotation tabs are properly engaged.
4. **Check Stability:** Once installed, check that the handguard is stable and securely attached.

### Usage Instructions

- Use the handguard as a gripping surface to stabilize the firearm during shooting.
- Attach compatible accessories to the MLOK slots as needed, ensuring they are securely fastened.
- Regularly check the handguard for any signs of wear or damage during use.

## Disposal Instructions

- Dispose of the handguard in accordance with local waste management regulations.
- If the handguard is damaged or no longer usable, consider recycling materials where possible.

## Contact Information for Further Support

For any safety inquiries or support regarding the GEN2 Enhanced Free Floating Handguards, please refer to the

manufacturer's contact details provided with your product. Always ensure you have the latest information and updates regarding safety and compliance.

Thank you for prioritizing safety while using your GEN2 Enhanced Free Floating Handguards. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
