

# GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 9.3" M-LOK HANDGRD FREE FLOAT FOR AR-15 ODG

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

# Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

## Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the handguard is compatible with your AR15 platform. This product is specifically designed for the AR15/M4E1 platform and is not compatible with the M5 .308/M5E1 platform.
- Always handle firearms and firearm accessories with caution. Treat every firearm as if it is loaded.
- Store the handguard and all firearm accessories in a secure location, out of reach of children and unauthorized users.
- Inspect the handguard for any signs of damage or defects before installation. If any issues are found, do not use the product.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Use the handguard only for its intended purpose. Do not modify the handguard or use it in a manner that is not recommended by the manufacturer.
- Ensure that the handguard is properly installed before using your firearm. An improperly installed handguard can affect the performance and safety of your firearm.
- Be aware of the potential hazards associated with the use of firearms, including accidental discharge, recoil, and overheating.
- Always wear appropriate safety gear, such as eye protection and hearing protection, when using firearms.
- If you are inexperienced in firearm handling or modifications, seek assistance from a qualified professional.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that your firearm is unloaded and that you are in a safe environment to perform the installation.
2. **Remove Existing Handguard:** Follow the manufacturer's instructions to safely remove the existing handguard from your AR15.
3. **Install the GEN2 Handguard:**
  - Align the handguard with the barrel nut and ensure it fits snugly.
  - Secure the handguard using the provided antirotation tabs and mounting hardware.
  - Ensure that the handguard is properly aligned with the continuous top rail.
4. **Check Compatibility:** Verify that the inside diameter of 1.78 inches accommodates your muzzle devices and 1.5inch suppressors.
5. **Final Inspection:** Once installed, inspect the handguard to ensure it is securely attached and free of any movement.
6. **Usage:** Use the handguard as intended, ensuring that you maintain a firm grip and are aware of your surroundings while handling the firearm.

## **Disposal Instructions**

- Dispose of the handguard according to local regulations. If the product is damaged or no longer needed, consider recycling or disposing of it in a responsible manner.
- Do not dispose of the handguard in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's official contact points as provided with your product packaging or on the manufacturer's website.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your GEN2 Enhanced Free Floating Handguards for AR15. Always prioritize safety and responsible firearm handling.
