

# GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 15" M-LOK HANDGRD FREE FLOAT FOR AR-15 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

# Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

## Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your handguard. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure that the handguard is compatible with your AR15/M4E1 platform before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the handguard for signs of wear or damage.
- Keep the handguard and all related components out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before handling, ensure the firearm is unloaded and pointed in a safe direction.
- Do not exceed the recommended weight limit for accessories mounted on the handguard.
- Avoid using the handguard with incompatible muzzle devices or suppressors.
- Ensure that all components are securely attached before use.
- Be cautious when using the quick disconnect sling socket to prevent accidental disconnection during use.
- If you experience any issues or unusual behavior during use, cease operation immediately and seek assistance.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure you have all necessary tools and components for installation.
- Verify that the firearm is unloaded and pointed in a safe direction.

#### 2. Remove Existing Handguard:

- Follow the manufacturer's procedure to safely remove the existing handguard from your AR15.

#### 3. Install the GEN2 Handguard:

- Align the handguard with the upper receiver.
- Slide the handguard into place, ensuring it fits securely against the upper receiver.
- Use the provided antirotation tabs to secure the handguard in position.

#### 4. Secure the Handguard:

- Tighten all mounting screws according to the manufacturer's specifications.
- Verify that the handguard is stable and does not move when pulled.

#### 5. Final Check:

- Inspect the installation to ensure all components are secure.
- Confirm that the continuous top rail is free of obstructions.

## **Usage Instructions**

- Use the handguard as intended for stabilizing your AR15 during operation.
- Attach accessories only to the MLOK slots, ensuring they are compatible and securely mounted.
- Utilize the quick disconnect sling socket for easy attachment and detachment of slings.
- Maintain awareness of the handguard's condition during use, checking for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the handguard and any packaging materials responsibly.
- Follow local regulations for disposing of firearm accessories and materials.
- If the handguard is damaged beyond use, consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the GEN2 Enhanced Free Floating Handguards, please refer to the manufacturer's contact resources. Ensure you have the product details available for a more efficient response.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your GEN2 Enhanced Free Floating Handguards for AR15. Thank you for your attention to these important safety measures.
