# Safety Instruction Guide for M5 (.308) Enhanced Gen2 MLOK Handguards

## Introduction

Thank you for choosing the Aero Precision Enhanced MLOK Handguards for your M5 .308 build. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the handguard is compatible with your firearm model. This handguard is specific to the M5 .308/M5E1 platform and is not compatible with the AR15/M4E1 platform.
- Always handle firearms with care and follow all safety protocols as outlined in your firearm's manual.
- Keep the handguard and all related components out of reach of children and unauthorized users.
- Inspect the handguard for any damage or defects before installation. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before beginning installation.
- Use appropriate tools as specified in the installation instructions to avoid damage to the handguard or firearm.
- Do not overtighten screws or fasteners during installation to prevent stripping or cracking.

### • Operational Precautions:

- Avoid placing excessive weight on the handguard, as it is designed to be lightweight but still requires careful handling.
- Be cautious when using accessories mounted on the handguard, as they may affect balance and handling.
- Regularly check the tightness of all mounted accessories to ensure they remain secure during use.

### • Child Safety:

- Store the handguard and your firearm securely when not in use, especially if children are present in the home.
- Educate all users about safe handling practices and the importance of firearm safety.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the appropriate barrel nut (sold separately).

#### 2. Removing the Old Handguard:

- Remove any existing handguard by loosening and removing the barrel nut.
- Carefully detach the old handguard from the firearm.

### **3. Installing the New Handguard:**

- Place the new Aero Precision Enhanced MLOK Handguard over the barrel nut area.
- Align the antirotation tabs with the corresponding slots on the receiver.
- Secure the handguard by tightening the barrel nut according to the manufacturer's specifications.

### **4. Final Checks:**

- Ensure that the handguard is properly aligned and securely fastened.
- Check for any movement or looseness before use.

## **Usage Instructions**

- Once installed, you may attach MLOK accessories as desired.
- Regularly inspect the handguard and accessories for wear and tear.
- Follow all firearm safety protocols while using your firearm equipped with the handguard.

## **Disposal Instructions**

- Dispose of the handguard responsibly at a designated waste facility or recycling center.
- If the handguard is damaged beyond repair, ensure that it cannot be reused or mistaken for a functional part.
- Follow local regulations regarding the disposal of aluminum and firearm components.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Aero Precision Enhanced MLOK Handguards, please refer to the manufacturer's official website or contact their support team directly.

Thank you for your attention to these safety guidelines. Enjoy using your Aero Precision Enhanced MLOK Handguards responsibly and safely.
