# M5 (.308) Enhanced Gen2 MLOK Handguards

## Safety Instruction Guide

### Introduction

Thank you for choosing the Aero Precision Enhanced MLOK Handguards. This guide provides important safety information and instructions to ensure the safe and effective use of your handguards. Please read this document carefully before installation and usage.

### General Safety Guidelines

- Ensure that the handguard is compatible with your firearm model. This handguard is specifically designed for the M5 .308/M5E1 platform and is not compatible with AR15/M4E1 platforms.
- Always follow local laws and regulations regarding firearm modifications and accessories.
- Inspect the handguard for any damage or defects before installation. Do not use if damaged.
- Keep the handguard out of reach of children and unauthorized users.
- Use protective gear, such as gloves and safety glasses, when handling tools and firearms.

### Specific Safety Precautions for Use

- **Avoid Overheating:** The handguard may become hot during firing. Allow it to cool before handling.
- **Check Compatibility:** Ensure that all attached accessories, such as muzzle devices and suppressors, are compatible with the handguard specifications.
- **Proper Installation:** Follow the installation instructions carefully to avoid improper fitting, which may lead to accidents or malfunctions.
- **Regular Maintenance:** Regularly check the handguard and all attachments for wear and tear. Replace any damaged components immediately.
- **Sling Use:** When utilizing the quick disconnect sling sockets, ensure that the sling is securely attached and that there is no risk of entanglement.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools, including a barrel nut wrench (not included), and ensure a clean workspace.
- Verify that you have the correct model and length of handguard for your firearm.

#### 2. Installation Steps:

- Remove the existing handguard from your firearm, if applicable.
- Install the barrel nut onto the upper receiver according to the manufacturer's specifications.
- Slide the handguard over the barrel nut, ensuring that the antirotation tabs align properly.
- Secure the handguard according to the installation instructions provided by Aero Precision.
- Attach any desired accessories using the MLOK slots.

#### 3. Usage:

- Once installed, verify that the handguard is secure before use.
- Use the handguard as intended, ensuring that all attachments are secure and properly fitted.
- Monitor the condition of the handguard during use, especially after extended firing sessions.

## **Disposal Instructions**

- Dispose of the handguard and any packaging materials in accordance with local waste disposal regulations.
- If the handguard is damaged or no longer usable, ensure that it is disposed of in a manner that prevents accidental use by unauthorized individuals.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your M5 (.308) Enhanced Gen2 MLOK Handguards, please refer to the official Aero Precision website or contact their customer support.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your Aero Precision Enhanced MLOK Handguards. Always prioritize safety and compliance with local regulations when handling firearms and accessories. Thank you for your attention to these important guidelines.
