

AR 308 M5 ATLAS R-ONE HANDGUARDS M-LOK - AERO PRECISION M5 (.308) ATLAS R-ONE 15" HANDGUARD M-LOK FOR AR-308 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 8.79 oz / 15" - 10.6 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) FEATURES: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with AR308 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

Safety Instruction Guide for AR 308 M5 ATLAS RONE Handguards

Introduction

Thank you for purchasing the AR 308 M5 ATLAS RONE Handguards. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read and follow all instructions carefully to avoid any potential hazards.

General Safety Guidelines

- Ensure that the handguards are installed correctly to avoid accidents during use.
- Always use the product in accordance with the manufacturer's instructions.
- Inspect the handguards regularly for wear and damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings while using firearms equipped with this handguard.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure that you are using the correct tools for installation. A standard armorers wrench is recommended.
 - Verify that all mounting hardware is included and in good condition before installation.
- **Weight Considerations:**
 - Be mindful of the weight specifications (12.7" – 8.79 oz / 15" – 10.6 oz) to maintain balance and control of your firearm.
- **Compatibility:**
 - Confirm compatibility with your AR308 upper receiver and barrels. This handguard is not compatible with M5E1 Enhanced Upper Receivers.
- **Handling:**
 - Always treat firearms with respect and assume they are loaded until verified otherwise.
 - Do not place your fingers on the trigger until ready to fire.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a standard armorers wrench.
- Ensure you have a clean, welllit workspace.

2. Installation:

- Remove any existing handguard from your firearm.
- Align the ATLAS RONE Handguard with the upper receiver.
- Secure the handguard using the provided mounting hardware, ensuring even pressure is applied.
- Use the turnbuckle screw to adjust the clamping pressure, making sure it is firmly in place.

3. Usage:

- Once installed, check the stability of the handguard before use.
- Attach any desired accessories to the full top picatinny rail.
- Utilize the quick disconnect sling sockets located at the 3, 6, and 9 o'clock positions as needed.

Disposal Instructions

- When disposing of the handguard, ensure that it is done in an environmentally responsible manner.
- Check local regulations for proper disposal methods of aluminum and other materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For additional support or inquiries regarding safety, installation, or compatibility, please refer to the manufacturer's website or contact their support team directly.

Thank you for prioritizing safety while using the AR 308 M5 ATLAS RONE Handguards. Your adherence to these guidelines helps ensure a safe and enjoyable experience with your firearm.
