

# AR 308 M5 ATLAS R-ONE HANDGUARDS M-LOK - AERO PRECISION M5 (.308) ATLAS R-ONE 15" HANDGUARD M-LOK FOR AR-308 ODG

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 8.79 oz / 15" - 10.6 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) FEATURES: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with AR308 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

# Safety Instruction Guide for AR 308 M5 ATLAS RONE Handguards

## Introduction

Thank you for purchasing the AR 308 M5 ATLAS RONE Handguard. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use and maintain your handguard properly.

## General Safety Guidelines

- Ensure that the handguard is installed correctly before use.
- Regularly inspect the handguard for any signs of wear or damage.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the handguard and all accessories out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**

- Use a standard armorers wrench for installation.
- Ensure that all mounting hardware is securely fastened.
- Avoid overtightening the screws to prevent damage to the handguard.

- **Handling Safety:**

- Always handle firearms in a safe manner.
- Ensure the firearm is unloaded before attaching or detaching the handguard.
- Do not modify the handguard or use it with incompatible components.

- **Usage Safety:**

- Use the handguard only with AR308 upper receivers and barrels.
- Avoid using the handguard with M5E1 Enhanced Upper Receivers unless specified.
- Ensure that the handguard does not obstruct any firearm controls or functions.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools, including a standard armorers wrench.
- Remove the existing handguard if applicable.
- Align the ATLAS handguard with the barrel nut and ensure the locking nuts are positioned correctly.
- Use the turnbuckle screw to tighten the handguard until secure, ensuring even pressure is applied.
- Check that the handguard is firmly attached and does not move.

### 2. Usage:

- Ensure that the firearm is in a safe condition before use.
- Utilize the full top picatinny rail for optional attachments as needed.

- Employ the quick disconnect sling sockets at the 3, 6, and 9 o'clock positions for added convenience.
- Regularly check the handguard for tightness and any signs of wear during use.

## **Disposal Instructions**

- Dispose of the handguard and any associated parts in accordance with local regulations.
- Do not dispose of in regular household waste. Instead, consider recycling where possible.
- Ensure that all components are rendered nonfunctional before disposal.

## **Contact Information for Further Support**

For any inquiries regarding the safety, installation, or use of the AR 308 M5 ATLAS RONE Handguards, please refer to the manufacturer's website or contact customer support through the provided channels.
