

AR 308 M5 ATLAS R-ONE HANDGUARDS M-LOK - AERO PRECISION M5 (.308) ATLAS R-ONE 12.7" HANDGUARD MLOK FOR AR308 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 8.79 oz / 15" - 10.6 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) FEATURES: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with AR308 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

Safety Instruction Guide for AR 308 M5 ATLAS RONE Handguards

Introduction

Thank you for choosing the AR 308 M5 ATLAS RONE Handguard. This product is designed to provide a lightweight and durable mounting solution for your firearm. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure that the handguard is used according to the manufacturer's instructions to avoid any risks associated with improper use.
- **Enhanced Recalls:** Be aware that should any safety issues arise, standardized recall notices will be issued, and free remedies will be provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra caution should be taken when the product is used around children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspection:** Before installation, inspect the handguard for any visible damage or defects. Do not use if damaged.
- **Compatibility:** Ensure that the handguard is compatible with your AR308 upper receiver and barrel. It is not compatible with M5E1 Enhanced Upper Receivers.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting which may lead to safety hazards.
- **Weight Limit:** Be mindful of the weight limit when attaching accessories to the handguard to maintain balance and safety.
- **Avoid Overtightening:** Do not overtighten screws or mounting hardware, as this may lead to distortion or damage.

Instructions for Installation and Usage

1. Gather Necessary Tools:

- Standard armorer's wrench (not included)
- Additional tools as needed for accessories

2. Installation Steps:

- Remove any existing handguard from your firearm.
- Ensure the firearm is unloaded and safe to handle.
- Align the ATLAS Handguard with the upper receiver.
- Secure the handguard using the provided hardware, ensuring even pressure is applied.
- Use the armorer's wrench to tighten the screws, but avoid overtightening.

3. Usage Guidelines:

- Regularly check the handguard and mounting hardware for signs of wear or loosening.
- Use the handguard only for its intended purpose as a firearm accessory.
- Ensure that all attachments are secured and check for stability before use.

Disposal Instructions

When disposing of the AR 308 M5 ATLAS RONE Handguard, follow these guidelines:

- **Recycling:** If possible, recycle the aluminum components according to local recycling regulations.
- **Hazardous Waste:** Dispose of any nonrecyclable parts in accordance with local hazardous waste disposal guidelines.
- **Environmental Considerations:** Always consider the environment when disposing of any product materials.

Contact Information for Further Support

For any questions or concerns regarding the AR 308 M5 ATLAS RONE Handguard, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure safe and effective use of your AR 308 M5 ATLAS RONE Handguard. Thank you for your attention to safety!
