

AFTERBURNER + RAMJET FOR SIG SAUER P365® - RAMJET BARREL W/AFTERBURNER MICRO COMP SIG P365 3.7" - BLACK

The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite Black coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER™ aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. FEATURES AFTERBURNER™ Hardened SS RAMJET™ Hardened 416R SS atch Grade Barrel Gas Sealing Chamber Loaded Chamber Indicator

Safety Instruction Guide for AFTERBURNER + RAMJET for Sig Sauer P365

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for your Sig Sauer P365. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that you understand the proper handling and operation of firearms before using this product.
- Always treat your firearm as if it is loaded, even when you believe it to be empty.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and this product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and this product for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the AFTERBURNER + RAMJET with any other firearm model except for the Sig Sauer P365.
- Always ensure the firearm is unloaded before installing or removing the AFTERBURNER + RAMJET.
- Be aware of the potential for increased recoil and noise when using this product.
- Ensure that the compensator is securely attached before firing the firearm.
- Do not attempt to modify the AFTERBURNER + RAMJET in any way.
- Use only recommended ammunition types as specified by the firearm manufacturer.
- Avoid using the firearm in confined spaces to minimize noise and potential hazards.

Instructions for Installation and Usage

Installation Steps

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Slide:** Follow the manufacturer's instructions to remove the slide from the firearm.
3. **Install the RAMJET Barrel:**
 - Align the RAMJET barrel with the slide and insert it.
 - Ensure it is seated properly.
4. **Attach the AFTERBURNER Compensator:**
 - Slide the AFTERBURNER compensator over the barrel.
 - Insert the locking screw into the compensator and tighten securely.
5. **Reassemble the Firearm:** Carefully reattach the slide to the firearm.
6. **Function Check:** Conduct a function check to ensure everything operates correctly before firing.

Usage Guidelines

- Always wear appropriate eye and ear protection when using the firearm.
- Fire in a safe and controlled environment, adhering to all local laws and regulations.
- Maintain a proper grip and stance to manage recoil effectively.
- After use, ensure the firearm is cleaned and maintained according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of the AFTERBURNER + RAMJET in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for firearm accessories.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or customer service for support.

By following these guidelines and instructions, you can ensure the safe use of your AFTERBURNER + RAMJET for Sig Sauer P365. Thank you for prioritizing safety.
