

# **AFTERRUNER + RAMJET FOR SIG SAUER P365® - RADIAN WEAPONS RAMJET BARREL W/AFTERRUNER MICRO COMP SIG P365 3.7" - BLACK**

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

The Radian® AFTERRUNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while **LEGAL FOR SALE IN ALL 50 STATES\***. The AFTERRUNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite Black coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERRUNER™ aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. **FEATURES**  
AFTERRUNER™ Hardened SS RAMJET™ Hardened 416R SS atch Grade Barrel  
Gas Sealing Chamber Loaded Chamber Indicator

## **Attributes**

# Safety Instruction Guide for AFTERBURNER + RAMJET for SIG SAUER P365

## Introduction

Thank you for choosing the Radian® AFTERBURNER™ + RAMJET™ combo for your SIG SAUER P365. This product is designed to enhance your shooting experience by providing significant recoil reduction and matchgrade accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding firearm accessories before purchase and use.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store this product and your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.
- Use only compatible ammunition as specified by the manufacturer.
- Follow all manufacturer instructions for use and maintenance.

## Specific Safety Precautions for Use

- Before installation, ensure that your firearm is unloaded and that the magazine is removed.
- Do not attempt to modify this product in any way, as this may compromise safety and performance.
- Always wear eye protection when using firearms equipped with this product.
- Be aware of your surroundings and ensure that the shooting area is safe and clear of people and obstacles.
- If you experience any malfunctions or unusual behavior while using this product, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Process

1. **Preparation:** Ensure that your SIG SAUER P365 is unloaded and the magazine is removed.
2. **Compensator Installation:**
  - Slide the AFTERBURNER™ compensator over the muzzle end of the RAMJET™ barrel.
  - Align the compensator with the angled Vgroove on the underside of the barrel.
3. **Locking Mechanism:**
  - Insert the tapered locking screw into the compensator.
  - Tighten the locking screw securely to ensure the compensator is locked in place.
4. **Final Check:** Ensure that the compensator is firmly attached and that there are no loose components.

### Usage Guidelines

- Follow all standard firearm safety practices while using your firearm with the AFTERBURNER™ + RAMJET™ combo.
- Regularly check the compensator and barrel for any signs of wear or damage before each use.
- Clean the compensator and barrel according to the manufacturer's recommendations to maintain optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer needed, consider returning it to the manufacturer for proper disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the AFTERBURNER™ + RAMJET™ combo, please refer to the manufacturer's website or customer service resources for assistance.

## **Conclusion**

We hope that this safety instruction guide helps you use your Radian® AFTERBURNER™ + RAMJET™ combo safely and effectively. Always prioritize safety and responsible handling of firearms. Thank you for your commitment to safe shooting practices.
