SLIDE CATCH LEVER FOR SIG SAUER® P320 Introducing the first-ever Sig Sauer Extended Slide catch lever to be a two-piece unit made from steel! Made from 304 grade steel Sig Sauer's drop-in replacement Sig Sauer slide stop is the perfect upgrade for your pistol. The Sig Sauer P320 extended slide release adds surface area and a raised texture that greatly improves usability for all! It is the perfect upgrade for concealed carry AND competition. Never again will your thumb slip while manipulating your Sig Sauer slide catch lever! What is it? This drop-in replacement Sig Sauer extended slide stop release lever has a surface area extended over the OEM size. Why use it? One of the main flaws of the Sig Sauer Factory release lever is that it offers very little surface area and/or texture. This results in the operator occasionally slipping when attempting to manipulate the lever. The Sig Sauer P320 slide release offers an extended AND raised surface area to ensure easy manipulation of the Sig Sauer slide. It is easy to install, functions great, and looks fantastic! Features All steel construction Extended controls PVD Coated for corrosion resistance Tyrant CNC Proprietary stamped 'bridge' for rigidity (actually works as an ambidextrous release unlike others) Does not come with spring Works on 9/40/357 models Works on Flux Defense 'Flux Raider' Chassis systems

Safety Instruction Guide for SLIDE CATCH LEVERS FOR SIG SAUER® P320

Introduction

Thank you for choosing the SLIDE CATCH LEVERS FOR SIG SAUER® P320 by TYRANT CNC. This product is designed to enhance the functionality of your Sig Sauer P320 pistol. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is compatible with your specific model of Sig Sauer P320.
- Always handle firearms with care and follow all standard firearm safety practices.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any issues, do not use the product until it has been inspected by a qualified gunsmith.

Specific Safety Precautions for Use

- Use the slide catch lever only as intended. Do not modify or alter the product.
- Ensure that the firearm is unloaded before installation or maintenance.
- Avoid using excessive force when manipulating the slide catch lever to prevent injury or damage.
- Be aware of your surroundings and ensure that you are in a safe environment when operating your firearm.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Lever:**
 - Use appropriate tools to remove the factory slide catch lever.
 - Follow the manufacturer's instructions for disassembly of the firearm.
3. **Install the New Slide Catch Lever:**
 - Align the new SLIDE CATCH LEVER with the mounting point.
 - Secure the lever in place, ensuring it is properly seated.
 - Reassemble the firearm according to the manufacturer's instructions.

Usage

- Familiarize yourself with the new lever before using the firearm.
- Practice manipulating the lever in a safe environment to ensure comfortable operation.
- Ensure that your grip does not slip when using the lever, especially during rapid operations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling materials where applicable.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the SLIDE CATCH LEVERS FOR SIG SAUER® P320, please reach out to the manufacturer or your point of purchase for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your SLIDE CATCH LEVERS FOR SIG SAUER® P320. Always prioritize safety and seek professional assistance if you have any doubts regarding installation or usage. Thank you for your commitment to responsible firearm ownership.
