## MAGWELL FOR GLOCK 17/22/31/34/35 GEN 3 GOLD

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen3 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

# Safety Instruction Guide for MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 TYRANT CNC MAGWELL

## Introduction

Thank you for purchasing the MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 TYRANT CNC MAGWELL. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the magwell is compatible with your Glock model: 17, 22, 31, 34, 35, and Gen 3.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Inspect the magwell for any damage before installation. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the magwell.
- Use the magwell only as intended, following all manufacturer instructions.
- Do not modify the magwell in any way that could compromise its safety or functionality.
- Be aware of your surroundings and ensure a clear area when reloading.
- In emergency situations, practice quick magazine changes to minimize fumbling.
- Use caution when handling loaded magazines to avoid accidental discharges.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and in a safe environment.
- Align the magwell with the grip of the Glock.
- Secure the magwell using the provided set screw, ensuring it is tight but not overtorqued.
- Verify that the magwell is firmly attached and does not move.

### 2. Usage:

- To load a magazine, hold the firearm securely in one hand.
- With the other hand, insert the loaded magazine into the magwell, guiding it smoothly into the grip.
- Ensure the magazine clicks into place before attempting to fire.
- Practice loading to enhance speed and accuracy, especially in competitive scenarios.

## Disposal Instructions

- Dispose of the magwell according to local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MAGWELL FOR GLOCK® GEN3, please refer to the contact information provided with your product packaging or visit the manufacturer's website for more details.

By following these guidelines, you can ensure the safe and effective use of your MAGWELL FOR GLOCK® GEN3. Thank you for prioritizing safety and responsibility in your firearm practices.
