

MAGWELL FOR GLOCK® GEN-3 17/22/31/34/35 - TYRANT CNC

MAGWELL FOR GLOCK 17/22/31/34/35 GEN 3 GRAY

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen3 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

Safety Instruction Guide for MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 TYRANT CNC MAGWELL

Introduction

Thank you for choosing the MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 TYRANT CNC MAGWELL. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. It complies with the EU General Product Safety Regulation (GPSR) to protect you and other users.

General Safety Guidelines

- Ensure that the magwell is compatible with your Glock model (17, 22, 31, 34, 35) before installation.
- Always handle firearms and accessories with care and follow all safety protocols.
- Keep the magwell and your firearm out of reach of children and unauthorized users.
- Regularly inspect the magwell for signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to install or use the magwell without first reading this guide.
- Ensure that your firearm is unloaded before installing the magwell.
- Avoid using the magwell in adverse weather conditions that may affect grip or handling.
- Use only highquality magazines compatible with your Glock model to ensure proper function.
- In emergency situations, always prioritize safety over speed during magazine changes.

Instructions for Installation and Usage

Installation

1. Prepare Your Firearm

- Ensure your Glock is completely unloaded.
- Remove any existing magwell or accessories as needed.

2. Install the Magwell

- Align the magwell with the grip of your Glock.
- Gently press the magwell into place until it is securely fitted.
- Use the provided set screw to secure the magwell, ensuring it is tightened but not overtightened.

3. Check Installation

- Verify that the magwell is flush with the grip and does not interfere with the magazine release.

Usage

- To load a magazine:
 - Hold the firearm in a stable position.
 - Insert the loaded magazine into the magwell, ensuring it is guided smoothly into the grip.

- Apply firm pressure until you hear a click, indicating a secure fit.
- To remove a magazine:
 - Press the magazine release button while pulling the magazine out of the magwell.
 - Ensure you are clear of any obstructions that may hinder the removal process.

Disposal Instructions

- Dispose of the magwell responsibly following local regulations.
- Do not dispose of the magwell in regular household waste if it is damaged or defective.
- Consider recycling the aluminum material if possible.

Contact Information for Further Support

For any inquiries or support regarding the MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 TYRANT CNC MAGWELL, please refer to the manufacturer or authorized dealers for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your MAGWELL FOR GLOCK® GEN3. Always prioritize safety and responsible handling of your firearm and accessories.
