## MAGWELL FOR GLOCK 17/22/31/34/35 GEN 5 GRAY

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen4 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

# MAGWELL FOR GLOCK® GEN5 17/22/31/34/35 TYRANT CNC MAGWELL SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Tyrant CNC Magwell for your Glock® Gen5 17/22/31/34/35. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction during installation and use.
- Keep the firearm and accessories out of reach of children and unauthorized users.
- Regularly inspect the magwell and firearm for any signs of damage or wear.
- Only use the product as intended and in accordance with the manufacturer's instructions.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure proper fit of the magwell with your Glock model to avoid malfunctions.
- Do not attempt to modify the magwell or firearm, as this may lead to safety hazards.
- Use only compatible magazines with the magwell to ensure reliable operation.
- In emergency situations, practice magazine changes to minimize fumbling.
- Always check that the magazine is securely seated in the firearm before use.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing magazine and any accessories from the firearm.
3. Align the magwell with the grip of the Glock.
4. Secure the magwell in place using the provided set screw.
5. Verify that the magwell is firmly attached and does not interfere with the operation of the firearm.

### Usage

- To load a magazine, press the magazine into the magwell opening.
- The funnel shape of the magwell will guide the magazine into the firearm.
- Practice reloading to improve speed and efficiency.
- In case of a jam or failure to feed, follow the manufacturer's guidelines for clearing the malfunction.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Ensure that the product is not accessible to children or unauthorized individuals during disposal.

## Contact Information for Further Support

For further support or inquiries about safety concerns, please refer to the manufacturer's contact details included with your product packaging.

Thank you for prioritizing safety while using the Tyrant CNC Magwell. Your responsible handling contributes to a safer experience for all firearm users.
