

MAGWELL FOR GLOCK® GEN-5 17/22/31/34/35 - MAGWELL FOR GLOCK 17/22/31/34/35 GEN 5 GOLD

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen4 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

MAGWELL FOR GLOCK® GEN5 17/22/31/34/35

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MAGWELL FOR GLOCK® GEN5 17/22/31/34/35. This product is designed to enhance your reloading speed and improve your overall performance with your Glock pistol. However, it is essential to follow safety guidelines to ensure safe and effective usage. This guide provides important safety instructions, installation procedures, and disposal information in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the MAGWELL is compatible with your Glock model (17, 22, 31, 34, 35, Gen 5).
- Always handle your firearm with care and in accordance with standard firearm safety practices.
- Keep the MAGWELL and all firearm accessories out of reach of children and unauthorized users.
- Inspect the MAGWELL for any damage or defects before installation. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the MAGWELL, ensure that your firearm is unloaded.
- Familiarize yourself with the installation procedure before attempting to install the MAGWELL.
- Practice loading and unloading with the MAGWELL in a safe environment before using it in a competition or self-defense scenario.
- Do not attempt to modify or alter the MAGWELL in any way, as this may compromise its safety and functionality.
- Always ensure that the magazine is seated correctly in the MAGWELL before attempting to fire your firearm.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Firearm:** Ensure your Glock is unloaded and pointed in a safe direction.
2. **Remove Existing Components:** If applicable, remove any existing magwell or grip components from your Glock.
3. **Align the MAGWELL:** Position the MAGWELL over the grip of your Glock, ensuring it fits snugly.
4. **Secure the MAGWELL:**
 - Use the provided set screw to secure the MAGWELL in place.
 - Ensure it is tightened but do not overtighten, which could damage the MAGWELL or your firearm.
5. **Check for Stability:** Ensure that the MAGWELL is securely attached and does not wobble.

Usage Instructions

- To load a magazine, insert it into the MAGWELL, ensuring that it is guided into the firearm smoothly.
- Practice reloading in a controlled environment to become familiar with the MAGWELL's functionality.
- In emergency situations, remain calm and focus on the reloading process to minimize fumbling.

Disposal Instructions

- Dispose of the MAGWELL in accordance with local regulations regarding electronic waste and metal products.
- If the MAGWELL is damaged or no longer usable, consider recycling it at a facility that accepts aluminum products.

Contact Information for Further Support

For any inquiries regarding the MAGWELL or safety concerns, please consult your local retailer or manufacturer's website for support and additional resources.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MAGWELL FOR GLOCK® GEN5 17/22/31/34/35. Thank you for prioritizing safety and performance in your firearm usage.
