# Safety Instruction Guide for Enhanced Takedown Pins for Glock® 43/43X/48

## Introduction

Thank you for choosing the Enhanced Takedown Pins for Glock® 43/43X/48 by Tyrant CNC. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that you are using the product in accordance with the manufacturer's specifications.
- Always handle firearms and firearm components with care and in a safe environment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any issues with the product, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Use only with Glock models 43X, 48, and ensure compatibility before installation.
- Avoid using the takedown pins if they show signs of damage or wear.
- Do not attempt to modify the takedown pins in any way, as this may compromise safety and functionality.
- Always ensure the firearm is unloaded and pointed in a safe direction before performing any maintenance or installation.
- Follow all local laws and regulations regarding firearm modifications and safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather necessary tools for installation, such as a punch tool and hammer.

### 2. Installation Steps:

- Remove the existing OEM takedown pins from the Glock frame using the punch tool.
- Carefully install the new Enhanced Takedown Pins by aligning them with the pin holes on the Glock frame.
- Gently tap the pins into place using the hammer and punch tool, ensuring they are securely fitted.

### 3. PostInstallation:

- Check that the pins are properly seated and do not protrude excessively.
- Perform a function check on the firearm to ensure everything operates correctly.
- Store the firearm in a safe and secure location when not in use.

## Disposal Instructions

- Dispose of any old takedown pins and packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling programs or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Enhanced Takedown Pins for Glock® 43/43X/48, please refer to the manufacturer's contact details provided with your product packaging. It is important to have access to the right information for safe use.

## **Conclusion**

By following these safety instructions, you can ensure the proper and safe use of your Enhanced Takedown Pins for Glock® 43/43X/48. Your safety is paramount, and we encourage you to reach out for assistance if needed. Always prioritize safety when handling firearms and their components.
