

MAGWELL FOR SIG SAUER P365 X-MACRO - TYRANT CNC MAGWELL FOR SIG SAUER P365 X-MACRO - GRAY

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

MAGWELL FOR SIG SAUER P365 X-MACRO CNC machined from high-quality 6061 aluminum, this P365 magwell is designed to enhance your shooting experience by providing a larger funnel for faster and smoother magazine changes. Modeled specifically for the P365 X Macro 17 round magazine and frame, this Tyrant CNC made magwell retains a slim profile to help prevent printing when concealed carrying. Faster reloads, seconds gained In a competition as well as real life, it can come down to microseconds. Time is critical no matter the situation, especially the vulnerable time between magazine changes. The enhanced ergonomics of the Sig Sauer P365 Magwell will reduce that vulnerable time. How it works The Tyrant CNC magwell for the Sig Super P365 X Macro attaches to the bottom of the P365 X Macro grip module by using a supplied screw. The Sig P365 X Macro Magwell is specifically engineered to fit seamlessly onto your P365 without any modifications. It offers a slim profile and ergonomic shape that upgrades the overall look and feel of your firearm. With its extremely precise machining and aluminum construction, you can rest assured that this X Macro magwell will thrive in hard-use conditions. Made to Fit After reverse engineering and modeling the P365 macro grip module, we carefully built out our P365 X Macro magwell. Tyrant CNC made sure to have enough tolerance for any deviation the grip module molds may have, yet ensured there was still a tight fit/lock up around the grip module. The result? A tight-fitting and accommodating magwell! Perfect for Everyday Carry Low profile to not print when conceal carrying, yet robust enough to help funnel mags under duress. This magwell will also add surface area to your grip module, acting as a pinky rest and as well as gives the operator additional leverage to combat recoil. SPECIFICATIONS: Platform: Sig-Sauer Designed For Models: P365 Fitment Notes: Fits P365 XMacro grip module only Compatible with OEM 17rnd magazine Compatible with Tyrant 365 magazine extension Fits on California compliant versions Features: Flared and funneled for guided reloads Matching aesthetics Slim Profile Purchase Includes: Magwell Screw/nut

Safety Instruction Guide for MAGWELL FOR SIG SAUER P365 XMACRO

Introduction

Thank you for choosing the MAGWELL FOR SIG SAUER P365 XMACRO. This product is designed to enhance your shooting experience by providing improved ergonomics and faster magazine changes. To ensure safe and effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe use of the magwell by following all manufacturer instructions.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the magwell and firearm securely to prevent unauthorized access, especially from children and vulnerable individuals.
- Regularly inspect the magwell for wear or damage before use.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Only use the magwell with the Sig Sauer P365 XMacro grip module.
- Ensure the magwell is securely attached before use to prevent accidental detachment.
- Avoid using the magwell if it shows signs of damage or improper fit.
- Do not attempt to modify the magwell or any part of your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Be cautious of the increased surface area and leverage the magwell provides; practice handling to ensure control.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** You will need the supplied screw and nut for installation.
2. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
3. **Attach the Magwell:**
 - Align the magwell with the bottom of the P365 XMacro grip module.
 - Insert the supplied screw through the magwell and into the grip module.
 - Tighten the screw securely, ensuring a snug fit without overtightening.
4. **Check Fit:** Ensure the magwell fits securely and does not move when pulled gently.

Usage Instructions

- Practice magazine changes with the magwell to familiarize yourself with its function.
- Use the flared and funneled design to guide magazines into the grip during reloads.
- Maintain a firm grip on the firearm while using the magwell to combat recoil effectively.

Disposal Instructions

- Dispose of the magwell in accordance with local regulations.
- Do not dispose of the magwell in regular household waste.
- Consider recycling the aluminum material if possible.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the MAGWELL FOR SIG SAUER P365 XMACRO, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MAGWELL FOR SIG SAUER P365 XMACRO. Always prioritize safety and responsible firearm handling.
