

MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON - MAGAZINE EXTENSION +5 FOR SPRINGFIELD ARMORY ECHELON - GRAY

MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON The Tyrant CNC Magazine Extension, or also known as base pads, are expertly designed to increase the ammunition capacity of Springfield Armory Echelon's 15 and 17-round magazines by an additional 5 rounds of 9mm. This enhancement is crucial for users seeking increased capacity without compromising the firearm's reliability and performance. Precision Engineering and Materials: Each Springfield Armory Echelon magazine extension is CNC machined from T6061 aerospace-grade aluminum, a material chosen for its optimal balance of strength and lightweight properties. This level of precision in machining ensures a perfect fit and function with the Springfield Echelon models. Durable and Aesthetic Finish: The finishing process involves bead blasting followed by a hardcoat anodize, providing not only a durable surface resistant to wear and tear but also an aesthetic appeal. This finish is consistent with the high-quality standards set by Tyrant CNC and complements the overall look of the firearm. Innovative Installation Technology: A standout feature of the Echelon magazine extension is its tool-less installation and removal capability, a significant advancement over other market options that often require tools and are prone to disassembly upon impact. This design aspect emphasizes ease of use and maintenance, appealing to a wide range of users. 'NoBak' Plunger Technology for Enhanced Security: The proprietary 'NoBak' plunger technology is a critical component, ensuring the Springfield Echelon base pad/magazine extension remains securely attached, even when subjected to drops from heights exceeding 10 feet with a fully loaded magazine. This feature provides users with confidence in the product's reliability under various conditions. Optimized Spring Design for Reliable Performance: Accompanied by a 10% power spring (110% stronger than OEM with an additional coil), this Springfield Echelon magazine extension is engineered to guarantee the consistent delivery of the final round and maintain slide hold-back after the last round is fired. This attention to detail in spring design enhances the overall functionality of the firearm. Purposeful Aesthetics for Practical Use: Tyrant CNC base pads are not only designed for increased capacity and reliability but also for practical handling. The solid top and bottom ledges facilitate quick and efficient magazine changes, beneficial in fast-paced situations or when handling is compromised. This feature also aids in the removal of stuck magazines, showcasing the product's user-centric design. Cohesive Design with the Tyrant CNC Product Line: In line with the Tyrant CNC's commitment to quality and aesthetics, the magazine extension's design harmonizes with the rest of the Tyrant CNC line for the Springfield Armory Echelon. This consistency ensures that users can give their firearms a cohesive and customized appearance without sacrificing functionality. SPECIFICATIONS: Platform: Springfield Armory Designed For Models: Echelon Fitment Notes: Fits on 15 round Echelon Magazine. Fits on 17 round Echelon Magazine. The 20 round Echelon Magazine is just a 17 round magazine with an OEM extender of 3 rounds. Does not fit the 10 round magazine. FEATURES: no tools required installation 'NoBak' spring plunger technology for a secure attachment adds 5 rounds capacity in 9mm

Safety Instruction Guide for MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON

Introduction

Thank you for choosing the MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON. This product is designed to enhance the ammunition capacity of your Springfield Armory Echelon firearm. It is crucial to follow the safety instructions outlined in this guide to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms with care and ensure they are pointed in a safe direction.
- Keep the firearm unloaded when not in use, and only load it when ready to shoot.
- Store your firearm and ammunition in a secure location inaccessible to children and unauthorized users.
- Ensure you are familiar with the operation of your firearm and the magazine extension before use.
- Follow all local laws and regulations regarding firearm use and ownership.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the magazine extension is compatible with your specific model of the Springfield Armory Echelon.
- Inspect the magazine extension for any signs of damage or wear before each use.
- Do not exceed the recommended capacity of the magazine extension (5 additional rounds).
- Avoid using the magazine extension in extreme conditions (e.g., high heat, severe cold, or wet environments) that may affect its performance.
- Always use the correct type of ammunition (9mm) as specified for your magazine extension.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Base Pad:** If applicable, remove the existing base pad from the magazine by following the manufacturer's instructions.
3. **Align the Magazine Extension:** Position the magazine extension over the magazine, ensuring it aligns correctly with the magazine body.
4. **Secure the Extension:** Press down firmly until the magazine extension clicks into place. Ensure it is securely attached before use.
5. **Test the Fit:** Gently pull on the magazine extension to confirm it is securely attached.

Usage

- Load the magazine extension with a maximum of 5 additional rounds of 9mm ammunition.
- Insert the magazine into the firearm until it locks into place.
- Practice safe handling and shooting techniques while using the firearm with the magazine extension.

Disposal Instructions

- Dispose of the magazine extension responsibly. Follow local regulations for the disposal of aluminum products.
- If the magazine extension is damaged or no longer usable, consider recycling it at an appropriate facility.
