MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON The Tyrant CNC Magazine Extension, or also known as base pads, are expertly designed to increase the ammunition capacity of Springfield Armory Echelon's 15 and 17-round magazines by an additional 5 rounds of 9mm. This enhancement is crucial for users seeking increased capacity without compromising the firearm's reliability and performance.

Precision Engineering and Materials: Each Springfield Armory Echelon magazine extension is CNC machined from T6061 aerospace-grade aluminum, a material chosen for its optimal balance of strength and lightweight properties. This level of precision in machining ensures a perfect fit and function with the Springfield Echelon models.

Durable and Aesthetic Finish: The finishing process involves bead blasting followed by a hardcoat anodize, providing not only a durable surface resistant to wear and tear but also an aesthetic appeal. This finish is consistent with the high-quality standards set by Tyrant CNC and complements the overall look of the firearm.

Innovative Installation Technology: A standout feature of the Echelon magazine extension is its tool-less installation and removal capability, a significant advancement over other market options that often require tools and are prone to disassembly upon impact. This design aspect emphasizes ease of use and maintenance, appealing to a wide range of users.

'NoBak' Plunger Technology for Enhanced Security: The proprietary 'NoBak' plunger technology is a critical component, ensuring the Springfield Echelon base pad/magazine extension remains securely attached, even when subjected to drops from heights exceeding 10 feet with a fully loaded magazine. This feature provides users with confidence in the product's reliability under various conditions.

Optimized Spring Design for Reliable Performance: Accompanied by a 10% power spring (110% stronger than OEM with an additional coil), this Springfield Echelon magazine extension is engineered to guarantee the consistent delivery of the final round and maintain slide hold-back after the last round is fired. This attention to detail in spring design enhances the overall functionality of the firearm.

Purposeful Aesthetics for Practical Use: Tyrant CNC base pads are not only designed for increased capacity and reliability but also for practical handling. The solid top and bottom ledges facilitate quick and efficient magazine changes, beneficial in fast-paced situations or when handling is compromised. This feature also aids in the removal of stuck magazines, showcasing the product's user-centric design.

Cohesive Design with the Tyrant CNC Product Line: In line with the Tyrant CNC's commitment to quality and aesthetics, the magazine extension's design harmonizes with the rest of the Tyrant CNC line for the Springfield Armory Echelon. This consistency ensures that users can give their firearms a cohesive and customized appearance without sacrificing functionality.

SPECIFICATIONS: Platform: Springfield Armory Designed For Models: Echelon
Fitment Notes: Fits on 15 round Echelon Magazine. Fits on 17 round Echelon Magazine. The 20 round Echelon Magazine is just a 17 round magazine with an OEM extender of 3 rounds. Does not fit the 10 round magazine.
FEATURES: no tools required installation 'NoBak' spring plunger technology for a secure attachment adds 5 rounds capacity in 9mm

Safety Instruction Guide for MAGAZINE EXTENSION FOR SPRINGFIELD ARMORY ECHELON

Introduction

Thank you for choosing the Tyrant CNC Magazine Extension for your Springfield Armory Echelon. This product is designed to enhance your magazine's capacity while ensuring safety and reliability. It is essential to read and understand these safety instructions to ensure proper use and maintenance of the magazine extension.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of this magazine extension by following all instructions carefully.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. Report any unsafe products or incidents to the relevant authorities.
- **Online Shopping:** When purchasing online, ensure you are buying from reputable sources that comply with safety regulations.
- **Special Consumer Focus:** Extra caution should be taken when using this product around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Regularly check for updates on unsafe products via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or removing the magazine extension.
- Do not exceed the recommended ammunition capacity of the magazine extension.
- Inspect the magazine extension regularly for wear and damage. Replace if any defects are found.
- Avoid using the magazine extension with ammunition types other than those specified (9mm).
- Keep the magazine extension out of reach of children and unauthorized users.
- Use only the recommended tools and methods for installation and maintenance to avoid damaging the product or firearm.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is completely unloaded.
2. Remove the original base pad from your Springfield Armory Echelon magazine.
3. Align the Tyrant CNC Magazine Extension with the magazine body.
4. Press down firmly until the extension clicks into place, ensuring it is securely attached.
5. Confirm that the extension is properly installed by gently tugging on it to check for stability.

Usage

- Load the magazine extension with a maximum of 5 additional rounds of 9mm ammunition.
- Always ensure the magazine is seated correctly in the firearm before use.
- Test the magazine function in a safe environment before regular use.
- If any malfunction occurs, stop using the magazine extension immediately and inspect for issues.

Disposal Instructions

- Dispose of the magazine extension responsibly. Do not throw it in regular household waste.
- Follow local regulations regarding the disposal of metal and firearm accessories.

- If the product is damaged beyond use, consider recycling materials where possible.

Contact Information for Further Support

For further assistance, please refer to the product packaging or the manufacturer's website for support resources and contact information.

By following these guidelines, you can ensure the safe and effective use of your Tyrant CNC Magazine Extension for Springfield Armory Echelon. Always prioritize safety and proper handling practices. Thank you for your attention to these important safety instructions.
