

AR-15 ENHANCED BUFFERS CARBINE BLACK - AR-15 ENHANCED BUFFER STEEL BODY CARBINE H4 BLACK

The Primary Weapons Systems MOD 2 4140 Steel Body Buffers have a unique fluted design with minimum contact points, allowing debris to clear easily, while the FNC LIFE HD treatment chemically bonds in lubrication for smoother cycling. These Enhanced buffers are available in H2, H3, and H4 weights. H2 weighs 4.4oz H3 weighs 5.1oz H4 weighs 6.8oz The H4 buffer is the heaviest buffer offered by PWS, and is intended for suppressed use.

Attributes

- Name: AR-15 ENHANCED BUFFER STEEL BODY CARBINE H4 BLACK
- Manufacturer: PRIMARY WEAPONS
- Product no.: 430113176
- Mfr. No.: EBUFFER-H4
- Make: AR-15
- Delivery weight: 0.207kg
- Shipping height: 32mm
- Shipping width: 51mm
- Shipping length: 143mm
- UPC: 811154033703

Item details

Made in USA

US export classification: 0A501.x

AR15 Enhanced Buffers Carbine Safety Instructions

Introduction

Thank you for choosing the AR15 Enhanced Buffers Carbine. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always store the product in a secure location away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Follow proper handling and maintenance procedures to minimize risks associated with firearm use.
- If you experience any issues during use, stop immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Always treat all firearms as if they are loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the area is clear of people and obstacles before using the product.
- Use appropriate eye and ear protection while using firearms.
- Be aware of your surroundings, including potential hazards and bystanders.
- Do not exceed the recommended weight of the buffer for your specific firearm configuration.
- The H4 buffer is designed for suppressed use; ensure it is compatible with your system.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation:

- Remove the existing buffer from the buffer tube.
- Clean the buffer tube to remove any debris or residue.
- Insert the AR15 Enhanced Buffer into the buffer tube.
- Ensure that the buffer is seated correctly and securely.

3. Usage:

- After installation, perform a function check to ensure proper cycling.
- Fire the firearm in a safe and controlled environment.
- Monitor the performance of the buffer during use and check for any unusual sounds or behaviors.

4. PostUsage:

- Clean the firearm and buffer according to the manufacturer's recommendations.
- Store the product in a safe location after use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm components.
- Do not dispose of in regular household waste.
- Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support
