

# FRC 308 CALIBER THREE-PORT COMPENSATOR - PRIMARY WEAPONS FRC FLAT 3-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Elevate your shooting experience with the cutting-edge PWS FRC compensator, serving as a suppressor host for the Rearden Atlas suppressor mounting system—compatible with popular suppressors like the BDE 762. Crafted with precision and innovation, this compensator stands as a premier selection for a diverse range of shooting scenarios. The PWS FRC compensator sets itself apart by prioritizing recoil reduction as its primary function while simultaneously excelling at flash suppression. Its distinctive 3-port design skillfully redirects flash away from optics and the line of sight, ensuring an unobstructed view and minimizing overpressure. When paired with suppressors, the FRC boasts a tight lockup and maintains it through hard shooting cycles, ensuring reliability in any situation. Mounted precisely, the FRC becomes a crucial component in your rifle's comprehensive recoil management system. By effectively mitigating recoil and muzzle rise, this compensator enables swift follow-up shots, ultimately delivering improved shooter control and accuracy, even in rapid-fire scenarios. Choosing the PWS FRC provides the best of both worlds—superior recoil management and effective flash suppression—making it an indispensable asset for any shooter looking to enhance their shooting prowess and overall experience on the range or in the field. Select between flat shouldered option, for traditional rifle barrels, or tapered shoulder, for barrels with a tapered shoulder behind the muzzle threads.

## Attributes

- Name: [PRIMARY WEAPONS FRC FLAT 3-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR](#)
- Manufacturer: [PRIMARY WEAPONS](#)
- Product no.: 430113219
- Mfr. No.: FRC-F-3P-5/8X24
- Caliber: 30 Caliber (.308)
- Finish: Black
- Material: Steel
- Model: UXR
- Threads: 5/8-24
- Weapon type: Primary Weapons System,AR-15
- Delivery weight: 0.073kg
- UPC: 811154033857

# Safety Instruction Guide for FRC 308 Caliber ThreePort Compensator

## Introduction

Thank you for choosing the FRC 308 Caliber ThreePort Compensator by Primary Weapons. This guide provides essential safety information to ensure the safe and effective use of the product. Please read this guide carefully before installation and use to familiarize yourself with safety precautions and proper handling.

## General Safety Guidelines

- Ensure that the compensator is installed correctly to avoid accidents.
- Always use the compensator with compatible firearms and ammunition.
- Regularly inspect the compensator for signs of damage or wear.
- Store the compensator in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations related to firearm accessories.

## Specific Safety Precautions for Use

- Only use the compensator with firearms that have a 5/8"24 threaded muzzle.
- Do not modify the compensator in any way, as this may compromise safety and performance.
- Wear appropriate eye and ear protection when using firearms equipped with the compensator.
- Be aware of your surroundings when firing, ensuring a safe environment for yourself and others.
- Avoid using the compensator in conditions that may lead to excessive heat buildup, such as rapid firing without breaks.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threads of the muzzle to remove any debris.
- Align the compensator with the muzzle threads and handtighten it clockwise.
- Use a wrench to secure the compensator, ensuring it is snug but not overtightened to avoid damage.
- Check that the compensator is properly aligned and securely attached.

### 2. Usage:

- Before firing, ensure that the compensator is securely attached and that the firearm is in good working condition.
- Fire the firearm in a controlled manner, allowing for proper recoil management.
- Monitor the performance of the compensator and the firearm during use, looking for any unusual signs such as excessive muzzle rise or flash.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- If the compensator is damaged or no longer usable, do not attempt to repair it.
- Contact local waste disposal authorities for guidance on the proper disposal methods for firearm accessories.

## Contact Information for Further Support

For safety inquiries or concerns regarding the FRC 308 Caliber ThreePort Compensator, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

## Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable shooting experience with the FRC 308 Caliber ThreePort Compensator. Always prioritize safety and responsible firearm practices. Thank you for your attention to these important safety instructions.
