

FRC 308 CALIBER THREE-PORT COMPENSATOR - PRIMARY WEAPONS FRC TAPERED 3-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Elevate your shooting experience with the cutting-edge PWS FRC compensator, serving as a suppressor host for the Rearden Atlas suppressor mounting system—compatible with popular suppressors like the BDE 762. Crafted with precision and innovation, this compensator stands as a premier selection for a diverse range of shooting scenarios. The PWS FRC compensator sets itself apart by prioritizing recoil reduction as its primary function while simultaneously excelling at flash suppression. Its distinctive 3-port design skillfully redirects flash away from optics and the line of sight, ensuring an unobstructed view and minimizing overpressure. When paired with suppressors, the FRC boasts a tight lockup and maintains it through hard shooting cycles, ensuring reliability in any situation. Mounted precisely, the FRC becomes a crucial component in your rifle's comprehensive recoil management system. By effectively mitigating recoil and muzzle rise, this compensator enables swift follow-up shots, ultimately delivering improved shooter control and accuracy, even in rapid-fire scenarios. Choosing the PWS FRC provides the best of both worlds—superior recoil management and effective flash suppression—making it an indispensable asset for any shooter looking to enhance their shooting prowess and overall experience on the range or in the field. Select between flat shouldered option, for traditional rifle barrels, or tapered shoulder, for barrels with a tapered shoulder behind the muzzle threads.

Attributes

- Name: [PRIMARY WEAPONS FRC TAPERED 3-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR](#)
- Manufacturer: [PRIMARY WEAPONS](#)
- Product no.: 430113220
- Mfr. No.: FRC-T-3P-5/8X24
- Caliber: 30 Caliber (.308)
- Finish: Black
- Material: Steel
- Model: UXR
- Threads: 5/8-24
- Weapon type: Primary Weapons System,AR-15

Safety Instruction Guide for FRC 308 Caliber ThreePort Compensator

Introduction

Thank you for choosing the FRC 308 Caliber ThreePort Compensator from Primary Weapons. This guide provides essential safety instructions to ensure the safe use and installation of your compensator. Please read this document carefully to understand how to operate the product safely and effectively.

General Safety Guidelines

- Ensure that all safety measures are followed when using the FRC 308 Caliber Compensator.
- Always treat your firearm as if it is loaded.
- Keep the compensator and firearm out of reach of children and unauthorized users.
- Use the compensator only with firearms that are compatible with its specifications.
- Regularly inspect the compensator for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Recoil Management:** The FRC compensator is designed to reduce recoil. Ensure you are familiar with your firearm's recoil characteristics before use.
- **Flash Suppression:** The compensator helps to minimize flash signature. However, always be aware of your surroundings when shooting in lowlight conditions.
- **Compatibility:** Ensure the compensator is compatible with your rifle's barrel thread size (5/8"24) before installation.
- **Installation:** Follow proper installation procedures to avoid any accidents or malfunctions.
- **Shooting Environment:** Always shoot in a safe environment, away from people and flammable materials.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the muzzle threads of the firearm to remove any debris.
- Align the compensator with the muzzle, ensuring it fits snugly on the barrel.
- Handtighten the compensator onto the threads. Use a wrench if necessary, but do not overtighten to avoid damage.
- Check for proper alignment and secure fit before firing.

2. Usage:

- When firing, maintain a firm grip on the firearm to manage recoil effectively.
- Be aware of your shooting stance and position to ensure stability.
- After each shooting session, inspect the compensator for any signs of damage or wear.
- If using a suppressor, ensure it is securely attached to the compensator for optimal performance.

Disposal Instructions

- Dispose of the FRC 308 Caliber Compensator in accordance with local regulations.
- Do not dispose of the compensator in regular household waste.
- Check with local authorities for proper disposal methods for firearm accessories.

Contact Information for Further Support

For any safety inquiries, product issues, or further assistance, please reach out to the manufacturer or authorized dealer where you purchased the compensator.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your FRC 308 Caliber ThreePort Compensator. Always prioritize safety and responsible firearm use. Thank you for your attention to these important safety practices.
