RADIAN WEAPONS BACKSTRAP + MAGWELL COMBO FOR SIG SAUER P365 XMACRO The Radian P365-XMACRO Backstrap + Magwell were designed in tandem to provide users with a major upgrade in ergonomics, providing a more secure grip on one of the most popular everyday-carry firearms on the market today - The Sig Sauer P365-XMACRO. The P365-XMACRO Backstrap features aggressive and deep channels which maximize surface contact, and enhance overall grip, all while remaining forgiving on the hand. The palm swell allows for a repeatable connection resulting in more control of the firearm, leading to improved accuracy and quicker follow-up shots. The front of the P365-XMACRO Magwell aids in keeping the fingers positioned high on the grip. The flared feed walls ensure reliable reloads even under stressful self-defense scenarios. The rear of the Magwell is heavily rounded to minimize biting into the palm while also providing a soft outline virtually eliminating printing while carrying concealed. The Magwell maintains compatibility with all OEM XMACRO magazine base pads. The Radian P365-XMACRO Backstrap + Magwell is installed using a patent pending screwless design. The precision machined dovetail interface with spring-loaded retention stud secures the two components in place. Introduction

Thank you for choosing the Radian Weapons Backstrap + Magwell Combo for your Sig Sauer P365 XMacro. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you encounter any issues or concerns regarding the product's safety, discontinue use immediately and seek assistance.
- Be aware of your surroundings when handling your firearm to ensure safe operation.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before installing or adjusting the Backstrap and Magwell.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Do not use the Backstrap and Magwell if you notice any defects or if they do not fit securely on your firearm.
- Avoid using excessive force when installing or adjusting the components to prevent damage.
- When carrying concealed, ensure that the Magwell does not interfere with the safe handling of your firearm.
- Follow all local laws and regulations regarding firearm modifications and accessories.

Instructions for Installation and Usage

1. Installation of the Backstrap:

- Ensure the firearm is unloaded.
- Remove the existing backstrap by following the manufacturer's instructions.
- Align the Radian P365XMACRO Backstrap with the grip of your firearm.
- Press firmly until the backstrap clicks into place, ensuring a secure fit.

2. Installation of the Magwell:

- With the firearm still unloaded, locate the dovetail interface at the rear of the grip.
- Align the Radian P365XMACRO Magwell with the dovetail interface.
- Insert the springloaded retention stud into the designated slot.
- Ensure that the Magwell is seated properly and does not move when pulled.

3. Usage:

- Once both components are installed, grip the firearm firmly using the enhanced grip provided by the Backstrap.
- Practice safe handling techniques when using your firearm, including keeping your finger off the trigger until ready to shoot.

- Regularly check the stability of the Backstrap and Magwell during use to ensure they remain securely attached.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product becomes damaged or unusable, dispose of it responsibly, ensuring that it does not pose a hazard to others.
- Consider recycling materials where applicable, and follow local guidelines for electronic waste if applicable.
