

# COMPETITION SEATER DIES - REDDING 25 CREEDMOOR BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

# Safety Instruction Guide for Redding Competition Seater Die

## Introduction

Thank you for choosing the Redding Competition Bullet Seater for your reloading needs. This guide provides essential safety instructions and operational guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die.

## General Safety Guidelines

- Always use the Redding Competition Bullet Seater in accordance with the manufacturer's instructions.
- Ensure you are familiar with the basic principles of reloading ammunition before using this product.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Regularly inspect your equipment for wear and damage. Do not use damaged components.
- Use protective eyewear when reloading ammunition to safeguard against accidental debris.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the die can lead to misfires or ammunition that does not meet safety standards.
  - Ensure that the die is compatible with the 25 Creedmoor cartridge and other specified cartridges.
- **Avoiding Hazards:**
  - Always doublecheck that the die is securely mounted before use.
  - Never attempt to adjust the die while it is in operation.
  - Follow recommended seating depth adjustments carefully to avoid overcompression of the bullet.
  - Do not exceed the maximum load specifications provided by the bullet and powder manufacturers.
- **AgeSpecific Warnings:**
  - This product is intended for use by individuals who are at least 18 years old and possess the necessary knowledge and skills for reloading ammunition.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your reloading press is clean and free from debris.
  2. Securely mount the Redding Competition Bullet Seater die in your reloading press using the appropriate tools.
  3. Verify that the die is properly aligned with the press and is tightened to prevent movement during operation.
- **Usage:**
  1. Adjust the micrometer on the die to your desired seating depth in .001" increments.
  2. Insert a cartridge case into the press and position the bullet on top of the case.
  3. Pull the press handle smoothly to seat the bullet into the case.
  4. Check the seating depth using a caliper to ensure it meets your specifications.

5. Repeat the process for additional cartridges, making adjustments as necessary.

## **Disposal Instructions**

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not throw the Redding Competition Bullet Seater die in regular household waste. Instead, contact your local waste management facility for proper disposal methods.
- Ensure that all packaging materials are recycled according to local recycling guidelines.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety, please reach out to the manufacturer or authorized distributors. Ensure you have the product details ready for reference.

Thank you for prioritizing safety in your reloading activities. Enjoy using your Redding Competition Bullet Seater die responsibly!
