

# DELUXE 3-DIE SETS - REDDING 25 CREEDMOOR 3-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# Safety Instruction Guide for DELUXE 3DIE SETS REDDING 25 CREEDMOOR 3DIE SET

## Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 25 CREEDMOOR 3DIE SET. This product is designed to provide you with highquality ammunition reloading capabilities. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle all reloading equipment with care.
- Ensure that your workspace is clean and organized to prevent accidents.
- Keep this product and all components out of reach of children and vulnerable individuals.
- Familiarize yourself with the product before use, including all components and their functions.
- Regularly inspect the dies for wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Do not exceed the recommended load specifications for your cartridges.
- Use only the specified components and materials for reloading to avoid malfunctions.
- Ensure that the dies are properly installed and tightened before use.
- Avoid using the dies in a damp or humid environment to prevent rust and corrosion.
- If you experience any malfunction or unusual behavior during use, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Unboxing the Product:

- Carefully remove the die set from the packaging.
- Check that all components are present: full length sizing die, standard seating die, neck sizing die, decapping pin, hex wrench, and die box.

### 2. Installation:

- Secure the dies into your reloading press according to the manufacturer's instructions.
- Ensure that the dies are properly aligned and tightened to prevent movement during operation.

### 3. Usage:

- Follow the reloading data specific to the 25 Creedmoor cartridge.
- Use the full length sizing die first to resize the brass.
- Follow with the neck sizing die if necessary, depending on your reloading needs.
- Use the seating die to properly seat the bullet into the cartridge case.
- Inspect each completed round for proper fit and function.

### 4. PostUsage Care:

- Clean the dies after each use to remove any residue and prevent corrosion.
- Store the dies in the provided die box to keep them organized and protected.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the dies in regular household waste.
- Check with local recycling programs for proper disposal methods for metal components.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the DELUXE 3DIE SETS REDDING 25 CREEDMOOR 3DIE SET, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience.
