# Safety Instruction Guide for SEATER DIES REDDING SEATER DIE 25 CREEDMOOR

## Introduction

Thank you for choosing the Redding Seating Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all safety precautions are followed during the use of this product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling reloading equipment.
- Keep the reloading area clean and organized to prevent accidents.
- Store the die and all reloading components out of reach of children and unauthorized individuals.
- Regularly inspect the die for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and storage of reloading equipment.

## Specific Safety Precautions for Use

- Before using the Redding Seating Die, ensure that the work area is wellventilated.
- Do not exceed the recommended load specifications for the 25 Creedmoor cartridge.
- Always use the die with compatible reloading equipment to avoid malfunctions.
- Be cautious when handling primers and powders, as they can be flammable and sensitive to impact.
- Never attempt to modify the die or its components in any way.
- If you experience any difficulties while using the die, stop immediately and consult the manual or seek expert assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the Redding Seating Die and inspect for any damage.
- Mount the die securely in your reloading press according to the manufacturer's instructions.
- Ensure that the die is aligned properly and tightened to prevent movement during use.

### 2. Usage:

- Adjust the seating depth according to your specific reloading requirements.
- Insert the bullet into the die and raise the ram to begin the seating process.
- Monitor the operation closely to ensure proper seating and crimping.
- After use, clean the die using a suitable cleaning solution to maintain optimal performance.

## Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Instead, contact local waste management authorities for proper disposal methods.
- Ensure that all packaging materials are disposed of responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Seating Die, please contact the manufacturer or refer to the product packaging for additional support information. Always ensure that you have the latest information regarding product recalls and safety updates by checking the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we wish you a successful and enjoyable reloading experience.
