

# WILSON CASE GAGE - L.E. WILSON 7MM PRC CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder. SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

## Attributes

- Name: [L.E. WILSON 7MM PRC CASE GAGE](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 430114475
- Mfr. No.: CG-7PRC
- Cartridge: 7mm PRC
- Delivery weight: 0.181kg
- Shipping height: 30mm
- Shipping width: 36mm
- Shipping length: 86mm
- UPC: 815145029195

# Safety Instruction Guide for WILSON CASE GAGE L.E. WILSON 7MM PRC CASE GAGE

## Introduction

Thank you for choosing the WILSON CASE GAGE L.E. WILSON 7MM PRC CASE GAGE. This guide provides important safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the case gage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle the case gage with care to prevent injury or damage.
- Keep the case gage out of reach of children and vulnerable individuals.
- Regularly inspect the case gage for any signs of wear or damage. Do not use if damaged.
- Be aware of your surroundings while using the case gage to prevent accidents.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- **Oversizing Risk:** Be cautious to avoid oversizing your brass when using the case gage. This can lead to dangerous malfunctions.
- **Headspace Measurement:** Use the case gage to accurately measure the headspace of fired cases. Incorrect headspace can lead to unsafe conditions.
- **Adjustable Style Caution:** If using the adjustable style for belted magnums, ensure that resizing is minimal at the shoulder to prolong the life of the case.
- **Trimming Indication:** Regularly check the overall length of the cases to determine if trimming is necessary to maintain safe operation.

## Instructions for Installation and Usage

### 1. Setting Up the Gage:

- Place the case gage on a flat, stable surface.
- Ensure that the gage is clean and free from debris.

### 2. Measuring Headspace:

- Insert the fired case into the gage.
- Use a caliper to measure the headspace accurately.
- Compare your measurement with the recommended specifications for 7mm PRC.

### 3. Checking Overall Length:

- Insert the case into the gage to check the overall length.
- If the case exceeds the recommended length, proceed to trim as necessary.

### 4. Using the Adjustable Style:

- For belted magnums, adjust the gage according to the manufacturer's instructions.
- Ensure that the shoulder resizing is minimal to avoid reducing the case life.

### 5. Regular Maintenance:

- Clean the gage after each use to maintain accuracy and longevity.
- Store the gage in a dry place to prevent corrosion.

## **Disposal Instructions**

- Dispose of the case gage according to local regulations.
- If the gage is damaged beyond repair, consider recycling materials if applicable.
- Do not dispose of the gage in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions regarding safety or usage of the WILSON CASE GAGE L.E. WILSON 7MM PRC CASE GAGE, please refer to the manufacturer's contact information provided with your product packaging or documentation.

Thank you for your attention to these safety guidelines. Proper use and care of the WILSON CASE GAGE will ensure your safety and enhance your reloading experience.
