

LERNA OPTIC MOUNT KIT FOR TRIJICON MRO® - GBRS GROUP

LERNA OPTIC MOUNT KIT FOR TRIJICON MRO FDE

GBRS GROUP LERNA OPTIC MOUNT KIT FOR TRIJICON MRO® Lerna is the first stand-alone optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/equipment obstructions, ie. EarPro/Comms headsets, Gas masks/CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads up" style allows for faster processing speed and increased situational awareness. SPECIFICATIONS Materials: Mount Material: 6061 - T6 Aluminum Finish: Type 3 Class 2 Hard Coat Anodize (Black for FDE*) according to MIL-A-8625 Clamp Bar Material: 17-4 PH Stainless Steel H900 Condition Finish: Melonite QPQ Screws Material: 17-4 PH Stainless Steel H900 Condition Finish: Melonite QPQ Washers Material: 18-8 Stainless Steel Finish: Passivated Black Oxide Weight: Trijicon MRO®: 4.3 oz. LERNA OPTIC MOUNT KIT FOR TRIJICON MRO®

Consumer Safety Instruction Guide

Introduction

Thank you for choosing the LERNA OPTIC MOUNT KIT FOR TRIJICON MRO®. This guide provides essential safety information and instructions for the safe use, installation, and disposal of your optic mount kit. Please read this guide thoroughly before use to ensure safety and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.
- Familiarize yourself with recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the specified weight limit of the optic mount.
- Ensure that the mount is securely attached to prevent accidental detachment.
- Always wear appropriate protective gear when using equipment that may cause injury.
- Avoid using the product in adverse weather conditions that may impair visibility.
- Use only compatible optics as specified in the product description.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools including a long reach T10 key, a long reach 3/32" hex key, and a 1/4" drive T25 bit.
2. **Prepare the Mount:** Remove any protective coverings from the mount and ensure all components are clean and free from debris.
3. **Attach the Mount:**
 - Position the Lerna mount on the Trijicon MRO® optic.
 - Use the T10 key to securely fasten the mount to the optic.
 - Ensure that all screws are tightened to the recommended torque specifications.
4. **Check Stability:** After installation, check the stability of the mount by gently shaking it to ensure it is securely attached.

Usage Instructions

- Once installed, adjust the optic to your preferred height and angle.
- Maintain a proper shooting stance to utilize the benefits of the higher optic centerline.
- Regularly check the mount and optic for any signs of loosening or damage during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling components where applicable.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's customer service resources. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your LERNA OPTIC MOUNT KIT FOR TRIJICON MRO® responsibly!
