

LERNA OPTIC MOUNT KIT FOR TRIJICON MRO® - GBRS GROUP

LERNA OPTIC MOUNT KIT FOR TRIJICON MRO BLACK

GBRS GROUP LERNA OPTIC MOUNT KIT FOR TRIJICON MRO® Lerna is the first stand-alone optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/equipment obstructions, ie. EarPro/Comms headsets, Gas masks/CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads up" style allows for faster processing speed and increased situational awareness. SPECIFICATIONS Materials: Mount Material: 6061 - T6 Aluminum Finish: Type 3 Class 2 Hard Coat Anodize (Black for FDE*) according to MIL-A-8625 Clamp Bar Material: 17-4 PH Stainless Steel H900 Condition Finish: Melonite QPQ Screws Material: 17-4 PH Stainless Steel H900 Condition Finish: Melonite QPQ Washers Material: 18-8 Stainless Steel Finish: Passivated Black Oxide Weight: Trijicon MRO®: 4.3 oz. LERNA OPTIC MOUNT KIT FOR TRIJICON MRO®

Safety Instruction Guide

Introduction

Thank you for choosing the LERNA Optic Mount Kit for Trijicon MRO®. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates. Check the EU Safety Gate platform for the latest information.

Specific Safety Precautions for Use

- Always use the LERNA Optic Mount Kit in accordance with the manufacturer's instructions.
- Avoid using the mount in extreme weather conditions that may affect performance.
- Ensure that all tools used for installation are in good condition and appropriate for the task.
- Do not modify the product in any way, as this may compromise safety and performance.
- When using the optic mount, maintain a proper stance to avoid strain or injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools: Trijicon® long reach T10 key, long reach 3/32" hex key, and ¼" drive T25 bit.
- Ensure you have a clean, flat workspace to perform the installation.

2. Installation Steps

- Identify the mounting location on your firearm where the Trijicon MRO® will be installed.
- Align the LERNA Optic Mount with the mounting location.
- Using the T10 key, secure the mount to the firearm by tightening the screws evenly. Avoid overtightening.
- Attach the Trijicon MRO® optic to the LERNA mount, following the optic's installation instructions.
- Doublecheck all connections to ensure they are secure before use.

3. Usage Guidelines

- Familiarize yourself with the optic mount and its adjustment features.
- Practice using the mount in a safe environment before engaging in any live scenarios.
- Ensure that your view through the optic is clear and unobstructed.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal disposal.
- Do not dispose of the product in regular household waste.

- If you are unsure of disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's official website or contact their customer service directly.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your LERNA Optic Mount Kit for Trijicon MRO®.
