

2.91 FTC (FLIP TO CENTER) OMNI MAGNIFIER MOUNT - GBRG GROUP 2.91 FTC OMNI MAGNIFIER MOUNT BLACK

GBRG GROUP 2.91 FTC (FLIP TO CENTER) OMNI MAGNIFIER MOUNT Utilizing UNITY™ Tactical's revolutionary Flip-to-Center technology, the 2.91 FTC (Flip-to-Center) brings any magnifier to the 2.91 height to pair with the GBRG Group Hydra Mounting Systems. The 2.91 FTC Mount employs a simple force-to-overcome mechanism and stows the magnifier below the optical sight plane and completely within the footprint of the weapon's receiver when not in use. This eliminates the flip-to-side placement of legacy products, in which users receive all the benefits of magnification when required with no occlusion of sight pictures when stowed. SPECIFICATIONS: Height: 2.91" to Optic Center Line Mechanism: Force-to-Overcome Rail Mount: QD lever Dimensions: 2.25" L x 2.72" W x 2.78" (stowed) or 4.00" (raised) Materials: 7075 T6 Aluminum Weight: 5.2oz Coating: Type III Hardcoat Anodized Compatibility: EOTech® G23, G30, G33, G43, G45 Holosun™ HM3X, HM3XT (as of June 2024) Sig Sauer® JULIET3 3X, JULIET3-MICRO 3X, JULIET4 4X, JULIET5-MICRO 5X Trijicon® 3X MAG-C Vortex® VMX-3T, Micro3X, Micro6X

Safety Instruction Guide for the 2.91 FTC OMNI MAGNIFIER MOUNT

Introduction

Thank you for choosing the GBRS Group 2.91 FTC (Flip to Center) Omni Magnifier Mount. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before use to understand the necessary precautions and proper installation procedures.

General Safety Guidelines

- Always ensure that the mount is compatible with your optical sight and firearm before installation.
- Inspect the product for any visible damage or defects before use. If any issues are found, do not use the product.
- Keep the mount and its components out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the mount only as intended. Do not modify or attempt to repair the mount yourself.
- Regularly check the mount for wear and tear. If you notice any changes in performance or integrity, discontinue use and seek assistance.
- Follow all local laws and regulations regarding firearm accessories and use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the mount.
- Always use the mount in a controlled environment to minimize risks.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure a clear line of sight when using the magnifier.
- Use appropriate eye protection when handling firearms and optical equipment.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Mounting the Magnifier:

- Attach the 2.91 FTC mount to the designated rail on the firearm using the QD lever.
- Tighten the lever securely to ensure stability but avoid overtightening.

3. Positioning the Magnifier:

- Adjust the magnifier to the desired position using the fliptocenter mechanism.
- Ensure that the magnifier is stowed securely below the optical sight plane when not in use.

4. Final Check:

- Doublecheck that the mount and magnifier are securely attached and that all adjustments are made according to your preference.

Usage

- To deploy the magnifier, simply flip it to the center position.
- When finished, return the magnifier to its stowed position to avoid obstruction of the sight picture.
- If you encounter any resistance when adjusting the mount, stop and inspect for any obstructions or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount with regular household waste.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact details provided by the manufacturer or retailer at the time of purchase.

By following these guidelines, you can ensure the safe use of the GBRS Group 2.91 FTC Omni Magnifier Mount. Thank you for choosing our product, and stay safe!
