Tyrant Design's Glock 43x Extended Magazine Release / Glock 48 Extended Magazine Release is CNC Machined from aerospace-grade aluminum and merges flawlessly with the ergonomics and styling of your G43x/48 handgun. In addition to functioning exactly like an OEM release, the profile of their Glock 43x and 48 Extended Mag Release is slightly raised with chamfered edges which helps ensure that you eject your Glock 43x or 48 magazines quickly and with ease! Fit, finish and overall quality is nothing but the best on their Glock 43x magazine catch / Glock 48 magazine catch. Install happens in seconds and the chevron pattern adds just the perfect amount of texture to release your Glock magazine! Like their other Tyrant Designs products this is manufactured 100% in the USA! Whether you are an avid concealed carrier, an active competitive shooter or anything in between, their Glock 43x/48 Extended Magazine Release is the best money can buy! \*\* DOES NOT FIT THE GLOCK 43\*\* Works as a Glock 43x magazine release Works as a glock 48 magazine release

# **Safety Instruction Guide for EXTENDED MAGAZINE RELEASES FITS SA15 MAGS FOR GLOCK® 43X/48 TYRANT CNC EXTENDED MAGAZINE RELEASE FOR GLOCK 43X/48 STEEL/GOLD**

## **Introduction**

Thank you for choosing the Tyrant Design's Glock 43X/48 Extended Magazine Release. This product is designed to enhance the functionality of your Glock handgun while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the product.

## **General Safety Guidelines**

- Ensure that the product is compatible with your firearm model (Glock 43X or Glock 48). This product does not fit the Glock 43.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always ensure that your firearm is unloaded before installing or adjusting the magazine release.
- Do not use excessive force when installing or using the magazine release, as this may cause damage to the product or the firearm.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- If you experience any issues with the magazine release, contact a qualified gunsmith for assistance.

## **Instructions for Installation and Usage**

### **Installation**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing magazine release from the Glock 43X or Glock 48 by following the manufacturer's instructions.
3. Align the Tyrant Design Extended Magazine Release with the magazine catch area of the firearm.
4. Gently press the magazine release into place until it clicks securely.
5. Test the functionality of the magazine release by inserting and ejecting a magazine.

### **Usage**

- To release the magazine, press the extended magazine release button with your thumb.
- Ensure that you are using the correct magazine for your Glock 43X or Glock 48.
- Practice using the magazine release in a safe environment to become familiar with its operation.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and metal recycling.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.

## **Contact Information for Further Support**

For further support regarding safety inquiries or product issues, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety instructions. Enjoy using your Tyrant Design Glock 43X/48 Extended Magazine Release safely and responsibly.
