

SECOND BEST SLINGS - GBRS GROUP SECOND BEST SLING SINGLE/DOUBLE POINT BLACK

GBRS GROUP SECOND BEST SLING The GBRS Group “SBS” (Second Best Sling) has been designed with the end user in mind. Their GOAL is to make and continuously evolve a high-performance minimalist sling offering the most customization without extra material and unwanted weight. GBRS have been testing materials and attachment points and feel this is their best option so far with design and functionality as the primary focus. The SBS features a long forward lead end with forty inches of travel that can be trimmed to fit the end user's body. As well as a twenty inch tail that can be trimmed to fine tune the slings overall fit and deliver the best performance to the individual. The neck pad dimensions were designed for maximum functional comfort with tapers at both ends to eliminate snag points when slinging the carbine to the end user's back. The padding is covered in a four way stretch Tweave that offers a smooth friction free movement around your neck or across the back of your kit. The four inch pull tab features two center bar tacks that can be removed if the wearer would prefer a thumb loop instead of the pull tab. GBRS removed large metal hardware commonly found in slings and reduced the weight down to 2.7 oz, half the weight of other slings on the market. FEATURES Double or Single point attachment options with correct hardware 40” Adjustable Front End 1” w/single Tri-Glide and Pull Tab 20” Adjustable Back End 1” w/ single Tri-Glide 16" Minimalist Neck Pad tapered w/ Closed Cell Crosslink Padding 4” Double Fold Over Pull Tab Mounting Hardware “QD Attachments” not included

Safety Instruction Guide for the **SECOND BEST SLINGS GBRS GROUP SECOND BEST SLING SINGLE/DOUBLE POINT BLACK**

Introduction

Thank you for choosing the GBRS Group Second Best Sling. This product has been designed with the end user in mind, ensuring a highperformance minimalist sling that offers customization and comfort. This safety instruction guide provides important information to ensure the safe use of your sling. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the sling is properly attached to your equipment before use.
- Regularly inspect the sling for any signs of wear or damage.
- Avoid using the sling in conditions that may compromise its integrity, such as extreme temperatures or exposure to harsh chemicals.
- Keep the sling away from children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always check the attachment points to ensure they are secure before using the sling.
- Adjust the length of the sling to fit your body properly, ensuring it does not interfere with your movement.
- When using the sling, avoid placing excessive weight on it that exceeds the manufacturer's specifications.
- If using the sling in a tactical or outdoor environment, be aware of your surroundings to prevent entanglement or snagging.
- Do not use the sling for purposes other than its intended use.

Instructions for Installation and Usage

1. Installation:

- Begin by identifying the attachment points on your equipment.
- Attach the sling using the provided hardware, ensuring that it is securely fastened.
- Adjust the sling to the desired length by trimming the forward lead end and tail as needed.

2. Usage:

- Place the neck pad comfortably around your neck, ensuring it sits securely to prevent slipping.
- When transitioning the sling from front to back, ensure that it does not become snagged on any equipment or clothing.
- If you prefer a thumb loop, remove the pull tab by unfastening the center bar tacks.

Disposal Instructions

- Dispose of the sling responsibly in accordance with local waste disposal regulations.
- If the sling is damaged beyond repair, consider recycling any parts that can be recycled.
- Do not dispose of the sling in regular household waste if it can potentially harm the environment.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your GBRS Group Second Best Sling, please refer to the manufacturer's contact information, which can be found on the product packaging or the official website.

Thank you for your attention to these safety instructions. Enjoy the highperformance features of your sling while ensuring your safety and the safety of others.
