

SECOND BEST SLINGS - GBRS GROUP SECOND BEST SLING SINGLE/DOUBLE POINT COYOTE BROWN

GBRS GROUP SECOND BEST SLING The GBRS Group “SBS” (Second Best Sling) has been designed with the end user in mind. Their GOAL is to make and continuously evolve a high-performance minimalist sling offering the most customization without extra material and unwanted weight. GBRS have been testing materials and attachment points and feel this is their best option so far with design and functionality as the primary focus. The SBS features a long forward lead end with forty inches of travel that can be trimmed to fit the end user's body. As well as a twenty inch tail that can be trimmed to fine tune the slings overall fit and deliver the best performance to the individual. The neck pad dimensions were designed for maximum functional comfort with tapers at both ends to eliminate snag points when slinging the carbine to the end user's back. The padding is covered in a four way stretch Tweave that offers a smooth friction free movement around your neck or across the back of your kit. The four inch pull tab features two center bar tacks that can be removed if the wearer would prefer a thumb loop instead of the pull tab. GBRS removed large metal hardware commonly found in slings and reduced the weight down to 2.7 oz, half the weight of other slings on the market. FEATURES Double or Single point attachment options with correct hardware 40” Adjustable Front End 1” w/single Tri-Glide and Pull Tab 20” Adjustable Back End 1” w/ single Tri-Glide 16" Minimalist Neck Pad tapered w/ Closed Cell Crosslink Padding 4” Double Fold Over Pull Tab Mounting Hardware “QD Attachments” not included

Safety Instruction Guide for SECOND BEST SLINGS GBRS GROUP SECOND BEST SLING SINGLE/DOUBLE POINT COYOTE BROWN

Introduction

Thank you for choosing the GBRS Group Second Best Sling. This guide provides essential safety instructions and guidelines to ensure the safe use of the sling. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the sling by following all instructions and guidelines outlined in this document.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check for updates on the EU Safety Gate platform.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please contact the designated EUbased contact for this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for faster updates on unsafe products.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by children under the age of 14. Ensure that it is used only by individuals who can handle it responsibly.
- **Inspection Before Use:** Always inspect the sling for any signs of wear, damage, or defects before each use. Do not use if any issues are detected.
- **Proper Fit:** Make sure the sling is properly adjusted for your body size to avoid discomfort or injury during use.
- **Avoid Snagging:** Be cautious of snag points when transitioning the sling to your back. Ensure that the neck pad is properly positioned to prevent entanglement.
- **Weight Limit:** Do not exceed the recommended weight limit for the sling to prevent failure during use.

Instructions for Installation and Usage

1. Adjusting the Sling:

- Locate the adjustable front and back ends of the sling.
- Pull the adjustment straps to achieve the desired length. Ensure that the adjustments are secure.
- Trim any excess material as needed, but do not compromise the integrity of the sling.

2. Attaching the Sling:

- Choose between double or single point attachment options based on your preference and intended use.
- Securely attach the sling to the designated attachment points on your firearm, ensuring that all hardware is correctly fastened.

3. Wearing the Sling:

- Slip the neck pad over your head and position it comfortably around your neck.

- Adjust the sling to ensure that it rests comfortably on your body, allowing for ease of movement.
- Use the pull tab for quick adjustments if necessary.

4. **Storage:**

- When not in use, store the sling in a cool, dry place away from direct sunlight to prevent material degradation.
- Avoid folding or compressing the sling in a way that may cause damage.

Disposal Instructions

- **Disposal:** When the sling reaches the end of its useful life, dispose of it responsibly. Check local regulations for guidelines on the disposal of textile materials.
- **Recycling:** If possible, consider recycling the sling or its components according to local recycling programs.

Contact Information for Further Support

For any further inquiries or support regarding the GBRS Group Second Best Sling, please refer to the designated EU contact point provided with your product packaging.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your GBRS Group Second Best Sling responsibly.
