Safety Instruction Guide for X PRIORITY 1 IWB HOLSTER FOR SIG SAUER P320®

Introduction

Thank you for choosing the X PRIORITY 1 IWB Holster for your SIG Sauer P320®. This guide provides essential safety instructions to ensure the safe use and proper handling of your holster. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model before use.
- Always keep your firearm unloaded when inserting or removing it from the holster.
- Store your holster and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect your holster for wear and tear. Replace it if any damage is found.
- Do not modify the holster in any way, as this may compromise its safety and functionality.
- Be aware of your surroundings and practice safe handling of your firearm at all times.

Specific Safety Precautions for Use

- Always use the holster in accordance with the manufacturer's instructions.
- Ensure the adjustable cant and ride height are set to your preference before use.
- Use the discreet carry monoblock clip to secure the holster firmly inside your waistband.
- Avoid wearing the holster with loose clothing that may snag on the holster or firearm.
- Be mindful of the openended design, especially when using threaded barrels or compensators.
- When using optics, ensure they are properly mounted and do not obstruct your draw.

Instructions for Installation and Usage

1. Installation

- Choose the appropriate position on your waistband for the holster.
- Attach the discreet carry monoblock clip to your waistband, ensuring it is secure.
- Adjust the ride height and cant (0 or 15 degrees) to your comfort level.

2. Usage

- Ensure the firearm is unloaded before placing it in the holster.
- Insert the firearm into the holster, ensuring it is fully seated.
- Check that the adjustable retention is set to your desired level.
- When drawing the firearm, ensure a clear path and maintain control at all times.
- After use, store the holster and firearm securely.

Disposal Instructions

- Dispose of the holster responsibly, following local regulations for plastic materials.
- If the holster is damaged or no longer usable, consider recycling options where available.
- Ensure that any firearms or accessories are removed prior to disposal.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding your X PRIORITY 1 IWB Holster, please consult the

manufacturer's website or customer support resources.

Conclusion

Your safety is our priority. By following the guidelines outlined in this instruction manual, you can ensure a safe and effective experience with your X PRIORITY 1 IWB Holster for SIG Sauer P320®. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important instructions.
