Safety Instruction Guide for X PRIORITY 1 OWB HOLSTER FOR GLOCK® 9MM/.40 W/SUREFIRE X300U®

Introduction

Thank you for choosing the X PRIORITY 1 OWB HOLSTER FOR GLOCK® 9MM/.40 W/SUREFIRE X300U®. This guide provides essential safety information and instructions for the proper use, installation, and disposal of the holster. Please read this manual carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the holster is compatible with your firearm model and light attachment before use.
- Always handle firearms and holsters with care to prevent accidents.
- Keep the holster and its contents away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage.
- Do not use the holster if it shows any signs of damage or if it does not securely hold your firearm.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before inserting it into the holster.
- Make sure the SUREFIRE X300UA or X300UB light is securely attached to the firearm before holstering.
- Adjust the retention screw according to your preference for a secure fit.
- Avoid using the holster with other brands or models of lights, as this may compromise safety.
- Be cautious when drawing or holstering the firearm to prevent accidental discharge.
- Use the holster only for its intended purpose and with compatible firearm models (Glock 9mm/.40 with SureFire X300UA/B).

Instructions for Installation and Usage

1. Installation of the Holster:

- Select a suitable mounting location on your belt or dropleg platform.
- Attach the holster using the provided paddle attachment or compatible modular adapter.
- Ensure the holster is firmly secured and does not shift during use.

2. Using the Holster:

- Before holstering, ensure your firearm is unloaded.
- Align the firearm with the holster opening, ensuring the light is properly positioned.
- Gently push the firearm into the holster until it clicks into place.
- Test the retention by pulling slightly on the firearm to ensure it is securely held.
- To draw, grip the firearm firmly and pull it straight out of the holster.

3. Maintenance:

- Regularly clean the holster with a damp cloth to remove dirt and debris.
- Check the retention mechanism periodically and adjust as necessary for optimal performance.

Disposal Instructions

- When disposing of the holster, follow local regulations for plastic and thermoplastic materials.
- Consider recycling the holster if facilities are available in your area.
- Do not dispose of the holster in regular household waste if it is damaged or contains hazardous materials.
