X PRIORITY 1 OWB HOLSTER FOR GLOCK® 9MM/.40 W/SUREFIRE X300U® Safety Instructions

Introduction

Thank you for choosing the X PRIORITY 1 OWB HOLSTER for GLOCK® 9MM/.40 with SUREFIRE X300U®. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the holster is compatible with your specific GLOCK model and SUREFIRE light. Refer to the specifications in the product description.
- Always handle firearms with care. Treat every firearm as if it is loaded.
- Keep the holster out of the reach of children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage. If damaged, discontinue use and replace the holster.
- Use only the recommended accessories and attachments to avoid compromising safety.
- Follow all local laws and regulations regarding firearm carry and holster usage.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Use the adjustable retention feature to secure your firearm properly. Test the retention before use.
- Be aware of your surroundings and avoid pointing your firearm at anything you do not intend to shoot.
- When drawing your firearm from the holster, do so with a firm grip and maintain control at all times.
- Do not use the holster with incompatible lights or accessories. The SUREFIRE X300UA & X300UB lights are required for proper function.
- Avoid exposing the holster to extreme temperatures or harsh chemicals, as this may affect its integrity.

Instructions for Installation and Usage

1. Installation:

- Ensure the holster is clean and free from debris.
- Attach the paddle to your belt or preferred mounting location. Ensure it is secure.
- If using the dropleg option, adjust the straps for a comfortable fit.
- Confirm that the holster is positioned for easy access and a smooth draw.

2. Usage:

- Insert your unloaded firearm into the holster, ensuring it is seated properly.
- Adjust the retention screws to achieve the desired level of retention.
- If using a SUREFIRE light, ensure it is securely attached and functioning before use.
- Practice drawing your firearm from the holster in a safe environment to become familiar with the process.

Disposal Instructions

- Dispose of the holster responsibly. Check local regulations for guidance on disposal of thermoplastic materials.
- Do not incinerate the holster, as this may release harmful fumes.
- Consider recycling options if available in your area.

Contact Information for Further Support
