

# DT COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 - MAGPUL

## DT CARBINE STOCK MIL-SPEC

The DT Carbine Stock is a drop-in replacement buttstock for AR15/M16/M4 carbines (or comparable platforms) equipped with Mil-Spec profile receiver extensions. It merges the best features of the SL® and CTR® product lines with its new dual tensioning technology, which provides greater strength and security for a more rugged and stable platform that's easy to adjust. The DT Stock is an A-frame style carbine stock that features an auto-engaging friction lock that's reflexive and inert during adjustment. This produces additional tension on the buffer tube, providing extra tight lockup that minimizes movement between the stock's lock pin and receiver extension. The result is increased durability in case of severe impacts and quick, smooth, and frictionless length-of-pull adjustments on the fly. Other features include a unique, non-slip butt-pad that matches the footprint of the SL line and incorporates the optimized curvature from the CTR, an ambidextrous adjustment lever, a rotation-limiting QD sling mount, and a 1.25" footman's loop. FEATURES Mounts on Mil-Spec sized carbine receiver extension tube (not included) from manufacturers such as Colt, Armalite, S&W, LMT, and others Improves ease of adjustment while securing LOP placement, limiting secondary movements, and improving durability Single, anti-snap ambidextrous control lever Newly designed non-slip butt-pad with optimized curvature allows for easier shoulder transitions and better fit when using body armor Sloping cheek weld combines a slim profile with user comfort Compatible with Magpul CTR® Cheek Risers for use with a fully extended stock and on rifles without rear-facing charging handles Compatible with Magpul ASAP®, ASAP® QD and other receiver-mount sling attachments Rear 1.25" sling loop Rotation-limiting, integral push-button QD swivel sling mount accommodates up to 1.5" swivels (ambidextrous) Made in the USA SPECS Platform: AR10, AR15, M4, M16, M110, SR25 Compatibility: Mil-Spec sized carbine receiver extension tube (not included) from manufacturers such as Colt, LMT, Ruger, S&W, SIG, and others\* LOP, M4 Collapsed: ~10.6 in. LOP, M4 Extended: ~13.9 in. LOP Adjustment Range: 3.3 in. Length, max: 7.0 in. Height, max: 5.3 in. Weight: 9.7 oz. Weight, w/ receiver extension: ~13.7 oz. Width, max: 1.6 in. NOTE: There are two basic sizes of M4 Carbine receiver extensions (buffer tubes): Mil-Spec and Commercial-Spec. The DT Carbine Stock will only fit with the common Mil-Spec tube. Specifications based on standard-length (flat-back) M4 Carbine receiver extension and may vary depending on tube manufacturer.

# Sicherheitshinweise für den DT Collapsible MilSpec Carbine Stock

## Einführung

Der DT Collapsible MilSpec Carbine Stock ist ein hochwertiger Ersatzschaft für AR15/M16/M4 Carbines, der für eine sichere und effektive Nutzung konzipiert wurde. Diese Anleitung bietet wichtige Sicherheitshinweise, um sicherzustellen, dass du das Produkt sicher und korrekt verwendest.

## Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass der Carbine Stock nur mit MilSpecgroßen CarbineEmpfängerverlängerungen verwendet wird.
- Überprüfe vor der Verwendung regelmäßig den Zustand des Stocks auf Risse oder Beschädigungen.
- Halte den Carbine Stock außerhalb der Reichweite von Kindern und schütze ihn vor unsachgemäßer Handhabung.
- Verwende das Produkt nur für den vorgesehenen Zweck und halte dich an alle gesetzlichen Bestimmungen.

## Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende den Carbine Stock nicht, wenn du Anzeichen von Beschädigungen oder Abnutzung bemerkst.
- Achte darauf, dass der Schaft sicher und fest am Empfänger montiert ist, bevor du ihn verwendest.
- Vermeide es, den Carbine Stock übermäßig zu belasten oder zu strapazieren.
- Bei der Anpassung der Schafthöhe achte darauf, dass keine Körperteile im Weg sind, um Verletzungen zu vermeiden.

## Anleitung zur Installation und Nutzung

### 1. Installation des Carbine Stocks:

- Überprüfe, ob die MilSpecEmpfängerverlängerung (nicht im Lieferumfang enthalten) ordnungsgemäß montiert ist.
- Setze den DT Carbine Stock auf die Empfängerverlängerung und achte darauf, dass er vollständig einrastet.
- Überprüfe, ob der Schaft sicher sitzt, indem du ihn leicht ziehst.

### 2. Anpassung der Schafthöhe:

- Drücke den Einstellhebel, um den Schaft zu lösen.
- Ziehe oder drücke den Schaft auf die gewünschte Höhe.
- Lasse den Einstellhebel los, um den Schaft zu verriegeln, und überprüfe die Stabilität.

### 3. Wartung:

- Halte den Carbine Stock sauber und frei von Schmutz.
- Verwende bei Bedarf ein weiches Tuch, um den Schaft abzuwischen.
- Überprüfe regelmäßig alle beweglichen Teile auf Funktionalität.

## Entsorgungsanweisungen

- Entsorge den Carbine Stock gemäß den geltenden lokalen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass alle Teile ordnungsgemäß recycelt werden, wenn möglich.

## **Kontaktinformationen für weitere Unterstützung**

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Achte darauf, dass du alle relevanten Informationen zur Hand hast, um eine schnelle Hilfe zu erhalten.

Diese Sicherheitshinweise sind wichtig, um die sichere Verwendung des DT Collapsible MilSpec Carbine Stocks zu gewährleisten. Bitte befolge sie sorgfältig, um Verletzungen und Schäden zu vermeiden.

# DT Collapsible MilSpec Carbine Stock Safety Instructions

## Introduction

Thank you for choosing the DT Collapsible MilSpec Carbine Stock for your AR15 platform. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is compatible with your firearm. The DT Carbine Stock is designed for MilSpec sized carbine receiver extensions.
- Always handle firearms responsibly and follow all local laws and regulations regarding firearm ownership and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stock for wear or damage. Do not use if any components are broken or compromised.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.

## Specific Safety Precautions for Use

### • Installation Safety:

- Make sure the firearm is unloaded before installing or adjusting the stock.
- Use appropriate tools when installing the stock to avoid injury.

### • Adjustment Safety:

- Adjust the stock only when the firearm is pointed in a safe direction.
- Ensure the stock is securely locked in place after adjustment to prevent any accidental movement during use.

### • Handling Safety:

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.

### • Shooting Safety:

- Wear appropriate eye and ear protection while shooting.
- Do not shoot at hard surfaces or water to avoid ricochets.

## Instructions for Installation and Usage

### 1. Installation:

- Verify that your firearm is unloaded.
- Remove the existing buttstock from the receiver extension.
- Align the DT Carbine Stock with the receiver extension and slide it into place.
- Ensure that the stock is fully seated and secure.
- Use the antisnag ambidextrous control lever to lock the stock in position.

## 2. **Adjustment:**

- To adjust the length of pull (LOP), press the ambidextrous adjustment lever.
- Slide the stock to the desired length and release the lever to lock it in place.
- Check that the stock is securely locked before using the firearm.

## 3. **Usage:**

- Ensure proper cheek weld by aligning your cheek against the sloping cheek weld of the stock.
- Utilize the nonslip buttpad for a secure shoulder placement.
- When using body armor, adjust the stock for optimal fit and comfort.

## **Disposal Instructions**

- Dispose of the DT Carbine Stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling it if possible.
- Do not dispose of the stock in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact the manufacturer or your local authorized dealer. Always refer to the manufacturer's website for the most current information regarding recalls and safety notices.

This safety instruction guide is designed to help you use the DT Collapsible MilSpec Carbine Stock safely and effectively. Your safety and the safety of others is paramount. Thank you for your attention to these important guidelines.
