Safety Instruction Guide for Remington Versa Max Extra High Comb Insert

Introduction

Thank you for choosing the Remington Extra High Comb Insert for your Remington Versa Max shotgun. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the comb insert is compatible with your specific model of Remington Versa Max shotgun.
- Always inspect the comb insert for any signs of damage or wear before installation.
- Keep the comb insert out of reach of children and vulnerable individuals to prevent accidental injury.
- Do not use the comb insert if it appears damaged or does not fit securely.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Always handle your shotgun with care and treat it as if it is loaded.
- Ensure the shotgun is pointed in a safe direction when installing or adjusting the comb insert.
- Avoid using the comb insert while the shotgun is loaded or in a ready-to-fire condition.
- Do not modify or alter the comb insert in any way, as this may compromise its safety and performance.
- If you experience any discomfort or difficulty while using the comb insert, discontinue use and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools, such as a flathead screwdriver, if required for your specific model.
- Ensure your shotgun is unloaded and in a safe condition for handling.

2. Removing the Existing Comb Insert

- Locate the existing comb insert on your Remington Versa Max shotgun.
- Carefully remove the existing comb insert by following the manufacturer's instructions.

3. Installing the Extra High Comb Insert

- Align the new Extra High Comb Insert with the comb area of the shotgun.
- Gently press the insert into place until it is secure. Ensure there are no gaps between the insert and the stock.
- If applicable, use the screwdriver to tighten any screws or fasteners to secure the insert.

4. Final Inspection

- Check that the comb insert is securely installed and does not move or shift.
- Test the fit by shouldering the shotgun and ensuring proper cheek weld and sight alignment.

5. Usage

- Use the comb insert to enhance your shooting experience, especially when using optics or preferring a higher stock profile.

- Regularly check the condition of the comb insert and ensure it remains securely attached during use.

Disposal Instructions

- Dispose of any old or damaged comb inserts in accordance with local waste disposal regulations.
- Do not dispose of the comb insert in a manner that could harm the environment or pose a risk to others.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please contact your local Remington dealer or visit the official Remington website for support.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Remington Extra High Comb Insert. Thank you for your attention to safety, and happy shooting!
