Safety Instruction Guide for the Bulldog Cases 48" Deluxe Suppressor Rifle Case

Introduction

Thank you for choosing the Bulldog Cases 48" Deluxe Suppressor Rifle Case. This product is designed to provide robust protection for your rifle and accessories. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the case is used only for its intended purpose of storing and transporting rifles and accessories.
- Regularly inspect the case for any signs of wear or damage. Do not use if damaged.
- Keep the case out of reach of children and vulnerable individuals to prevent accidents.
- Use the case in accordance with local laws and regulations regarding firearm transportation and storage.
- Always ensure that your rifle is unloaded before placing it in the case.

Specific Safety Precautions for Use

- **Heat Protection:** The suppressor pouch is rated to withstand temperatures up to 600°F. Allow the suppressor to cool down before placing it in the pouch to avoid damage.
- **Loading and Unloading:** Open the case fully when loading or unloading to avoid any pressure points on the rifle or accessories.
- **Transporting:** Use the dual wraparound carry handles to ensure balanced transport. Avoid carrying the case by the zipper or edges.
- **Storage:** Store the case in a dry, cool place away from direct sunlight to maintain the integrity of the materials.
- **Accessories:** Ensure that all accessories are securely placed in the designated pockets to prevent movement during transport.

Instructions for Installation and Usage

1. Loading the Rifle:

- Open the case fully using the fulllength zipper.
- Place the unloaded rifle carefully inside the case, ensuring it is positioned securely.
- If using the suppressor pouch, allow the suppressor to cool before placing it inside.
- Secure any accessories in the designated pockets to prevent shifting.

2. Transporting the Case:

- Use the dual wraparound carry handles for balanced lifting.
- Ensure the zipper is fully closed before lifting the case.
- Carry the case in a manner that prevents it from being dropped or subjected to impact.

3. Cleaning and Maintenance:

- Wipe the exterior with a damp cloth to remove dirt and debris.
- Do not use harsh chemicals or solvents that may damage the nylon material.
- Regularly check stitching and zippers for integrity.

Disposal Instructions

- When disposing of the case, follow local regulations regarding textile and plastic waste.
- If the case is damaged beyond repair, consider recycling the materials where possible.
- Ensure that any accessories, such as padding or internal materials, are disposed of in a responsible manner.
