

MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS

MATCHKING 6.5MM (0.264") 140GR HPBT 250/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within \pm 0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

Attributes

- Name: [SIERRA BULLETS MATCHKING 6.5MM \(0.264"\) 140GR HPBT 250/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 430117109
- Mfr. No.: 1740MP
- Ballistic Coefficient (G1): 0.535
- Ballistic Coefficient (G7): 0.264
- Brand Style: MatchKing
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6.5mm
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 140
- Sectional Density: -
- Quantity: 250
- Delivery weight: 2.313kg
- Shipping height: 112mm
- Shipping width: 61mm
- Shipping length: 122mm
- UPC: 092763817407

MATCHKING 6.5MM (0.264") BULLETS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MATCHKING 6.5MM (0.264") Bullets by Sierra Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure that you are using the MATCHKING Bullets in accordance with all safety standards and guidelines. These bullets are designed for target shooting and not recommended for hunting applications.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the provided instructions for returning or disposing of the product.
- **Online Shopping:** When purchasing online, confirm that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is intended for use by experienced shooters only.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU-based contact provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates regarding this product and any potential safety issues.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle bullets with care to avoid accidental discharge or injury.
 - Do not expose bullets to heat, flame, or other sources of ignition.
- **Storage:**
 - Store bullets in a cool, dry place, away from direct sunlight and moisture.
 - Keep the product in its original packaging until ready for use.
- **Usage:**
 - Use only in firearms that are compatible with 6.5mm (0.264") bullets.
 - Always follow the firearm manufacturer's instructions when loading and firing.
- **Personal Protective Equipment (PPE):**
 - Wear appropriate eye and ear protection when shooting.
 - Consider using gloves when handling bullets to prevent lead exposure.

Instructions for Installation and Usage

1. **Preparation:**
 - Ensure that you are in a safe shooting environment with proper backstop and safety measures in place.
 - Verify that your firearm is clean and in good working condition.
2. **Loading the Bullets:**
 - Follow the firearm manufacturer's instructions for loading bullets.
 - Ensure that the bullet is seated correctly in the cartridge case.
 - Check that the bullet is securely in place before handling.
3. **Firing:**
 - Always point the firearm in a safe direction.
 - Keep your finger off the trigger until you are ready to shoot.

- Be aware of your surroundings and ensure that no one is in the line of fire.

4. **PostUse:**

- After shooting, clean your firearm according to the manufacturer's guidelines.
- Dispose of any spent casings and used ammunition responsibly.

Disposal Instructions

- **General Disposal:**

- Dispose of unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities for safe disposal options.

- **Environmental Considerations:**

- Avoid contaminating the environment with lead or other materials. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the MATCHKING 6.5MM (0.264") Bullets, please refer to the contact information provided by your retailer or the manufacturer. Ensure to keep this guide for future reference and safety.

Thank you for prioritizing safety in your shooting activities. Enjoy your experience with Sierra Bullets!
