

# MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS

## MATCHKING 6.5MM (0.264") 142GR HPBT 250/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within  $\pm$  0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

### Attributes

- Name: [SIERRA BULLETS MATCHKING 6.5MM \(0.264"\) 142GR HPBT 250/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 430117110
- Mfr. No.: 1742MP
- Ballistic Coefficient (G1): 0.626
- Ballistic Coefficient (G7): 0.303
- Brand Style: MatchKing
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6.5mm
- Diameter (Breech): 0.264
- Diameter (in): 0.243
- Grain: 142
- Sectional Density: -
- Quantity: 250
- Delivery weight: 2.313kg
- Shipping height: 112mm
- Shipping width: 61mm
- Shipping length: 122mm
- UPC: 092763817421

### Item details

Made in USA

US export classification: 0A505.x

# MATCHKING 6.5MM (0.264") BULLETS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the MATCHKING 6.5MM (0.264") Bullets by Sierra Bullets. This guide provides important safety information and instructions to ensure the safe use of these highquality target bullets. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling or using ammunition.
- Always handle bullets and firearms with care and respect.
- Do not use damaged or defective bullets. Inspect bullets for any signs of damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for 6.5mm cartridges.
- Follow the manufacturer's loading data and guidelines when reloading ammunition.
- Avoid exceeding recommended load limits to prevent firearm malfunctions or accidents.
- Ensure that your firearm is in good working condition before using these bullets.
- Always point the firearm in a safe direction when loading or unloading.
- Be aware of your surroundings and ensure that the area is clear of people and obstructions before firing.
- Avoid using these bullets for hunting purposes, as they are designed primarily for target shooting.

## Instructions for Installation and Usage

### 1. Loading Bullets:

- Verify that the firearm is unloaded before loading bullets.
- Follow the reloading instructions provided by the manufacturer to ensure proper loading of the bullets.
- Use a reliable scale to measure powder charges accurately.
- Ensure that bullets are seated properly in the cartridge case.

### 2. Firing Bullets:

- Always wear appropriate safety gear, including eye and ear protection.
- Load the firearm in a safe area, away from others.
- Ensure the firearm is pointed downrange at all times when firing.
- Follow all safety protocols outlined in the firearm's user manual.

### 3. PostFiring:

- After firing, unload the firearm and ensure it is clear of any remaining ammunition.
- Store any unused bullets in their original packaging and in a secure location.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, use a designated hazardous waste disposal facility.
- Ensure that all bullets are stored safely until they can be disposed of properly.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the MATCHKING 6.5MM (0.264") Bullets, please refer to the manufacturer's contact information available on the packaging or the official website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with the MATCHKING 6.5MM (0.264") Bullets. Always prioritize safety and responsibility when handling ammunition. Thank you for your attention to these important safety measures.
