

TIPPED MATCHKING 30 CALIBER (.308") BOAT TAIL RIFLE BULLETS - SIERRA BULLETS TIPPED MATCHKING 30 CALIBER (0.308") 220GR TMK 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

SIERRA TIPPED MATCHKING 30 CALIBER (0.308") POLYMER TIPPED BOAT TAIL RIFLE BULLETS Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. The Tipped MatchKing (TMK) bullet is an excellent choice for F-Class (F Open) matches, as well as 3-Gun and various other competitions. While they are recognized around the world for record-setting accuracy, MatchKing® and Tipped MatchKing® bullets are not recommended for most hunting applications. Although MatchKing® and Tipped MatchKing® bullets are commonly used for varmint hunting, their design will not provide the same reliable explosive expansion at equivalent velocities in varmints compared to their lightly jacketed Hornet, Blitz or Varminter counterparts.

Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 30 CALIBER \(0.308"\) 220GR TMK 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 430117134
- Mfr. No.: 7720
- Ballistic Coefficient (G1): -
- Brand Style: MatchKing
- Bullet Style: Tipped
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 220
- Sectional Density: -
- Quantity: 100
- Delivery weight: 0.717kg
- Shipping height: 66mm
- Shipping width: 36mm
- Shipping length: 91mm
- UPC: 092763077207

Safety Instruction Guide for TIPPED MATCHKING 30 CALIBER (.308") BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the Sierra Tipped MatchKing 30 Caliber (.308") Boat Tail Rifle Bullets. This guide provides essential safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all safety measures are followed to prevent accidents and injuries.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Always use protective eyewear and hearing protection when handling or firing firearms.
- Familiarize yourself with local laws and regulations regarding ammunition and firearm use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Tipped MatchKing bullets with firearms that are specifically chambered for .308 caliber ammunition.
- Do not attempt to modify or alter the bullets in any way.
- Avoid using these bullets for hunting purposes, as they are not designed for reliable explosive expansion in game animals.
- Ensure that your firearm is in proper working condition before use.
- Follow the manufacturer's loading recommendations for optimal performance and safety.
- If you experience any malfunctions while using these bullets, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary equipment, including reloading tools and safety gear.
- Ensure your workspace is clean and organized.

2. Loading Bullets:

- Carefully follow the reloading data provided by Sierra or consult reputable reloading manuals.
- Use appropriate powder and primers as specified in the reloading data.
- Load bullets into cartridges according to the recommended specifications.

3. Firing:

- Always handle firearms as if they are loaded.
- Ensure the firearm is pointed in a safe direction before loading and firing.
- Check the firing range for a clear area and ensure no one is in the line of fire.
- Fire the weapon in accordance with standard shooting practices.

4. PostUse:

- After firing, clean your firearm according to the manufacturer's instructions.

- Inspect the bullets and cartridges for any signs of damage or wear before the next use.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; contact local waste management authorities for proper disposal methods.
- Ensure that any spent cartridges are disposed of safely and responsibly.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Tipped MatchKing bullets, please contact the designated EU-based contact point for assistance.

By following these safety instructions, you can enjoy the performance of the Sierra Tipped MatchKing 30 Caliber (.308") Boat Tail Rifle Bullets while ensuring your safety and the safety of those around you. Thank you for your attention to these important guidelines.
